Board of Trade.—Session 1900.

Redcar Electric Lighting.

(The Production, Storage, and Supply of Electricity by the Urban District Council of Redcar within their District, the acquisition and Appropriation of Lands and Construction of Works; the Breaking up and Interference with Streets, Bridges, Railways, Tramways and Lands; the Laying down and Erection of Electric Lines, Pipes, Wires, and Apparatus; the Taking and Recovery of Rates and Charges; the Entry into Houses and Lands; the Making of Contracts; the Borrowing of Money and other matters.)

NOTICE is hereby given that the Urban District Council of Redcar in the North Riding of the county of York (hereinafter No. 27139. G

called "the Council") whose address is No. 2, West-terrace, Redcar, aforesaid, intend to apply to the Board of Trade on or before the 21st day of December next, for a Provisional Order (hereinafter called "the Order") under the Electric Lighting Acts, 1882 and 1888, and the Electric Lighting (Clauses) Act, 1899, for all or some of the following amongst other purposes (that is to say):—

1. To authorise the Council to produce, store, supply, and distribute electricity for public and private purposes as defined by the said Acts, within the whole of the Urban District of Redcar in the North Riding of the county of York (hereinafter called "the area of supply").

2. To enable the Council to purchase by agreement, to take or lease and hold lands or interests or easements in or over lands, or to appropriate for the purposes of the Order any land belonging to or held by them, and to erect, maintain, work, and run upon such land all necessary or proper engines, dynamos, batteries, machinery, apparatus, works, buildings, and appliances for generating, producing, storing, supplying and distributing electricity or for other purposes of the undertaking, and to empower the Council to sell or dispose of any lands not required for the purposes of the undertaking.

3. To authorise the Council to open, break up, and interfere with all streets, roads, public places, ways, footpaths, railways, canals, navigable rivers, towing paths, bridges, culverts, sewers, drains, and gas and water mains and pipes, and telegraph and telephone and other wires within the area of supply, and to lay down, erect, maintain, renew, and remove either above or under ground, or otherwise, electric lines, conductors, mains, pipes, tubes, wires, posts, street or distributing boxes, meters, apparatus, and other works or things required for the purpose of enabling the Council to supply, produce, store, convey, transmit, or distribute electricity within the area of supply, and to confer all such other powers upon the Council as may be necessary for effecting the objects of the proposed undertaking.

4. To authorise the Council to manufacture, purchase, hire, sell, and let meters, lamps, accumulators, dynamos, fittings, plant, machinery, and other matters or things required for the purposes of the Order, or to acquire, work, use, patent, register for producing, storing, controlling, distributing, measuring, and using or otherwise relating to the supply of electricity.

5. To authorise the Council to take, collect, recover rates, rents, and charges for the supply of electricity, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

6. To make provision for the inspection and testing of mains, conductors, and other works, for the appointment and remuneration of electric inspectors, and for the supply, use, inspection, testing, and certifying of meters, fittings and instruments.

7. To authorise the Council to enter upon any houses, buildings, or land supplied or proposed to be supplied with electricity for any purposes relating to such supply.

8. To authorise the Council to enter into contracts with companies or persons for the execution and maintenance of works and the supply of electricity, and to relieve the Council from the consequences of any acts or defaults of any such contractors.

9. To confer upon the Council all or some of
