

**THE FAIRS ACT, 1871.**

(34 and 35 Vict., cap. 12.)

**WIGTON FAIRS.**

- (1.) Horse Fair (February).
- (2.) Lady Fair (April).
- (3.) Charter Fair (September).

THE Secretary of State for the Home Department hereby gives notice that, by Memorial dated 4th June, 1900, a representation has been duly made to him by the Wigton Urban District Council—

That a Fair has been annually held at Wigton on the 20th February for the sale of horses:

That a Fair called the Lady Fair was formerly held at Wigton on the 5th April, but has fallen into disuse:

That in virtue of a Charter granted to the Lord of the Manor of Wigton by King Henry VIII a Fair is provisionally authorized to be holden within the Manor of Wigton on three days in every year "to wit, on the eve, the day, and the morrow of the Nativity of the Blessed Mary": and

That it would be for the convenience and advantage of the public that such Fairs should be abolished.

On the 20th day of August, 1900, the Secretary of State will take such representation into consideration, and any person who may desire to object to the abolition of the Fairs, should intimate his objections to the Secretary of State before that day.
