Board of Trade.—Session 1901.

Hindley Electric Lighting.

(Power for Hindley Urban District Council to produce, store, and supply Electricity within the District; to acquire and appropriate Lands, and to construct Works and break up or interfere with Streets, Railways, and Brooks; and to lay down or to erect Mains, Pipes, Wires, and Apparatus; to demand and receive Rates and Charges; Power to enter into Houses and Buildings, and on Lands; Contracts and Transfer of Undertaking; Borrowing of Money, and other powers.)

NOTICE is hereby given that the District Council of Lancaster (hereinafter called "the Council"); and whose offices are at the Council Offices, Cross-street, Hindley, intend to apply to the Board of Trade, on or before the 21st day of December next, for a Provisional Order (hereinafter called "the Order") under the Electric Lighting Acts 1882 and 1888, for all or some of the following purposes (that is to say):—

1. To authorise the Council to produce, store, supply, and distribute electricity for public and private purposes, as defined by the said Acts, within the urban district of Hindley (hereinafter called "the area of supply").

2. To enable the Council to acquire, take on lease, and hold lands, or interests or easements in or over lands, or to appropriate, for the purposes of the Order, any lands belonging to or held by them, and to erect, maintain, work, and use upon such lands all necessary or proper engines, dynamos, batteries, machinery, apparatus, works and appliances for generating, producing, storing, supplying, and distributing electricity, or for other the purposes of the Undertaking, and to empower the Council to sell or dispose of any lands not required for the purposes of the Undertaking.

3. To authorise the Council to open, break-up, and interfere with all streets, roads, and public places, ways, footpaths, railways, tramways, rivers, towing paths, bridges, culverts, sewers, drains, and gas and water mains and pipes, and telegraph and telephone and other wires, within the area of supply, and to lay down, erect, maintain, renew and remove, either above or under ground, or otherwise electric lines, conductors, mains, pipes, tubes, wires, posts, street or distributing boxes, meters, apparatus, or other works or things required for the purpose of enabling the Council to supply, produce, store, convey, transmit, or distribute electricity within the area of supply, and to confer all such other powers upon the Council as may be necessary for effecting the objects of the proposed Undertaking.

4. To authorise the Council to manufacture, purchase, hire, sell, and let all necessary lamps, accumulators, meters, fittings, plant, engines, dynamos, machinery, and other matters or things required for the purposes of the Order, and to acquire, work, and use patent rights for producing, storing, controlling, distributing and measuring, or otherwise relating to the supply of electricity.

5. To authorise the Council to take, collect,
