

and recover rates, rents, and charges for the supply of electricity, and for the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

6. To prescribe or limit the area within which electricity shall at first be supplied, and to provide for the ultimate extension of the limits of supply to the whole of the district of the Council.

7. The names of the streets, or parts of streets, repairable by the Council in which it is proposed that electric lines shall be laid down within a specified time are as follows:—Cross-street, Wigan-road, Market-street, Bridge-street, Castle Hill-road, Ladies-lane (from Market-street to the Hindley Station of the Lancashire and Yorkshire Railway Company), Atherton-road, Leigh-road, Chapel-green, George-street, Liverpool-road, Walthew-lane, and Moss-lane.

8. To exempt the Council from the obligation to supply electricity within such part or parts of the area of supply, or under such circumstances as shall be specified in the Order.

9. To authorise the Council to break up, pass, or cross over or under the following streets not repairable by the Council, viz.:—Argyle-street, Alfred-street, Bridgewater-street, Bleach-street, Chapel-street, Crompton-street, Deans-gate, Darby-lane, Davies-street, Ellesmere-street, Frederick-street, Ladies-lane (from the Hindley Station of the Lancashire and Yorkshire Railway Company to the boundary of the Urban District of Aspull), Neville-street, Platt-lane, Railway-street, and Ward-street, and also so much and such parts of the railways of the Lancashire and Yorkshire Railway Company, the London and North Western Railway Company, the Great Central Railway Company, the Swan Lane Colliery Company, the Moss Hall Coal Company, Ltd., and the Lancashire Union Railway Company, and the Tramways of the Wigan Corporation, The Wigan and District Tramways Company, Ltd., and the South Lancashire Tramways Company, so far as such Railways and Tramways lie within the area of supply.

10. To make provisions for the inspection and testing of mains, conductors, and works, for the appointment and remuneration of electric inspectors, and for the supply, use, inspection, testing, and certifying of meters, fittings, and instruments.

11. To authorise the Council to enter upon any houses, buildings, or lands supplied or proposed to be supplied with electricity for any purpose relating to such supply.

12. To authorise the Council to enter into contracts with corporations, companies, or persons for the execution and maintenance of works and the supply of electricity, and to relieve the Council from the consequences of any acts or defaults of any such contractors, and to empower the Council to sell or transfer to corporations, companies, or persons all or some of the rights, powers, privileges, and obligations intended to be conferred or imposed by the Order for such period and upon such terms and conditions as may be agreed upon.

13. To confer upon the Council all or some of the powers of the Electric Lighting Acts, 1882 and 1888, and enactments incorporated therewith, and to alter, vary, or extinguish, all rights and privileges which would or might interfere with any of the objects of the Order, and to confer all other rights and privileges necessary for carrying such objects into effect.

14. To empower the Council to borrow money for all or any of the purposes of the Order, and

to charge the moneys so borrowed, and interest, upon the District Fund and General District Rate of the district, and to empower the Council to apply any of their funds to any of the purposes of the Order, and to provide for the disposal or application of the revenue arising from the Undertaking.

15. To incorporate with the Order, Section 265 of the Public Health Act, 1875 (relating to the protection of local authorities and their officers from personal liability), and to extend that section to matters arising under the Order; also the Electric Lighting (Clauses) Act, 1899.

And notice is hereby given, that the draft of the Order will be deposited at the office of the Board of Trade on or before the 21st day of December, 1900; and printed copies of the draft Order when deposited, and of the Order when made may be obtained (at the price of one shilling for each copy) at the offices of the undermentioned Solicitors and Parliamentary Agents.

And notice is hereby further given, that a map showing the boundaries of the proposed area of supply, and the streets in which it is proposed that electric lines shall be laid down within a specified time, and a copy of this advertisement as published in the London Gazette, will be deposited, on or before the 30th day of November, 1900, for public inspection at the office of the Clerk of the Peace for the county of Lancaster, at his office at Preston, and at the office of the Clerk of the Council at Hindley aforesaid.

And notice is hereby further given, that every local or other public authority, company, or person desirous of bringing before the Board of Trade any objection respecting this application, must do so by letter addressed to the Board of Trade, marked on the outside of the cover enclosing it "Electric Lighting Acts," on or before the 15th day of January, 1901; and a copy of such objections must also at the same time be forwarded to the undermentioned Solicitors or Parliamentary Agents for the Order.

Dated this 1st day of November, 1900.

In Parliament.—Session 1901.

British Gas Light Company, Limited
(Hull Station).

(Expenditure of further Capital; New Works and additional Lands at Hull; Amendment of Acts.)

NOTICE is hereby given that the British Gas Light Company, Limited (hereinafter called "the Company") intend to apply to Parliament in the ensuing Session for an Act for the following purposes, or some of them, that is to say:—

To empower the Company to expend further capital on the construction of works and purchase of lands and for other purposes of and in connection with their works and undertaking in the Parish of Sculcoates in the City and County of Kingston-upon-Hull, known as their Hull Station.

To empower the Company to purchase and hold the lands hereinafter described in the said parish and city, and in and upon those lands to construct, make, and maintain, alter, improve and enlarge, extend, renew, and discontinue works for the manufacture, storage, and supply of gas, and for the manufacture, conversion, utilisation and storage of residual products producible or resulting from, or used in the
