

141 on the 1/2500 ordnance map of the said parish in the north-easterly corner of the said field.

(i) An aqueduct, conduit or line of pipes (to be called Line of Pipes No. 4) to be situate in the townships or parishes of Codnor-cum-Loscoe and Codnor Park commencing in the township of Codnor-cum-Loscoe by a junction with Line of Pipes No. 3 at a point about 8 chains east of the boundary between the township of Ripley and Codnor-cum-Loscoe where it crosses the public highway between Ripley and Codnor, and terminating in the intended Codnor Reservoir.

7. To authorise the Board to deviate in the construction of all the works proposed to be authorised by the intended Act, both vertically and horizontally, to the extent shown on the deposited plans and sections, or to be defined in the intended Act.

8. To empower the Board to acquire by compulsion, for the purposes of the intended Act, lands and hereditaments and easements and rights in or over any lands and hereditaments in the townships or parishes of Dethick, Lea and Holloway, Wirksworth, Alderwasley, Crich, Heage, Pentrich, Ripley, Codnor-cum-Loscoe, Codnor Park, Hearnor, Shipley, and Ilkeston, in the county of Derby.

9. To exempt the Board from the operation of Section 92 of the Lands Clauses Consolidation Act, 1845, and the provisions of that Act relating to superfluous lands, and to make other amendments in the Lands Clauses Acts in their application to the intended Act.

10. To empower the Board to purchase by agreement lands, buildings and hereditaments and easements, and rights in, under and over lands, and to confer full powers upon the Board with reference to the retention, holding, user, sale, leasing, exchange and disposal of lands.

11. To authorise the Board on any lands belonging to them or over which they may acquire easements, to make, maintain, alter, renew, and repair wells, adits, tunnels, drifts, shafts, reservoirs, roads, ways, tanks, basins, gauges, meters, filters, filter beds, softening tanks, dams, sluices hatch boxes, chambers, outfalls, discharge pipes aqueducts, culverts, cuts, channels, conduits, mains, pipes, hydrants, stand pipes, junctions, valves, telegraphs, telephones, engines, pumps, machinery, apparatus, appliances, buildings, houses, chimney shafts, ventilating shafts, air valves, water towers, washouts, works and conveniences, and to confer upon the Board full power and right at all times of approach and access to the works aforesaid, or any of them, or for obtaining, softening, and distributing water for the purpose of their water undertaking.

12. To authorise the Board to take, intercept, collect, impound, use, divert, and appropriate for the purposes of the intended waterworks and of the water undertaking of the Board and the purposes of the intended Act any water to be met with within the limits of deviation defined upon the plans hereinafter mentioned or which can or may be intercepted or abstracted by means of the waterworks hereinbefore described or any of them or by means of the Meerbrook Sough as it now exists or as it may at any time hereafter exist and the waters of the Sough Level or Watergate of the Company which now flow into the river Derwent and also the waters of the said last mentioned river which waters now directly flow or proceed into the Derwent Navigation, the Derby Canal, the Trent and Mersey Canal, the Trent Navigation, the Erewash Canal, the Soar Navigation, the Loughborough Navigation, the

Beeston Cut, the Nottingham Canal, the Grantham Canal, the Newark Navigation, the Foss Dyke Navigation, the river Trent, the Chesterfield Canal, the Idle Navigation, the Stainforth and Keadby Canal, the Trent and Axholm Navigation, the Ancholme Navigation, and the river Humber, or some or one of them; and also to take and use for the purposes of the said waterworks undertaking all such springs and streams of water as may be found in, upon, or under any of the lands acquired by, or for the time being belonging to the Board, or over or in respect of which they may have, or acquire water or other easements.

13. To confer upon the Board all needful powers for securing the passage of the waters which flow, or may flow into the Meerbrook Sough, or otherwise supply the waterworks of the Board, and to secure the purity of all such waters, and for that purpose to impose obligations and restrictions upon the owners of the mines and lands from, or through which any such waters flow, and to enable the Board to inspect such mines and lands, and to execute such works as may be necessary, and to recover the expenses from any persons in default; to confer upon the Board for the purposes aforesaid the right to exercise all or any of the powers of a local authority under the Public Health Acts, and the Rivers Pollution Prevention Act 1876 and to empower the Board to make and enforce bye-laws with reference to the matters aforesaid.

14. To authorise the Board to discharge water from their aqueducts, conduits and other waterworks into any available stream or watercourse.

15. To authorise the Board to lay down, maintain, alter, and renew mains, pipes, culverts, discharge pipes, telephone or telegraph conductors, wires and posts and other works, in, through, along, under, across, and over highways (whether dedicated to the public or not) streets, roads, streams, paths, and railways, and for those purposes to extend to such works all, or any of the provisions of the waterworks Clauses Acts 1847 and 1863, and to empower the Board to break up, cross, alter, divert, stop up (either temporarily or permanently), and interfere with any roads, streets, highways, footways, bridges, canals, towing paths, railways, tramways, sewers, drains, rivers, streams, brooks, watercourses, culverts, pipes, and telegraph posts, wires, and pipes, and to appropriate the soil and surface of any highways, roads or footpaths stopped up or disused.

16. To empower the Board and any local authority, company or person within or beyond the limits of the intended Act to enter into and fulfil contracts and agreements in relation to the supply of water by the Board in bulk or otherwise.

17. To make provision with regard to the supply of water by the Board and by both or either of the constituent authorities and amongst other things with reference to the following matters:—The prevention of waste, undue consumption and contamination of water; the entry of premises supplied with water; the execution of works in connection with the supply of water; the pressure at which water is to be supplied and the exemption of necessity to supply in certain cases; separate communication pipe for each house supplied; the payment of water rates and charges by owners of small houses; trade supply; supply of houses partly used for trade and large public institutions; power to provide and let on hire meters and fittings; connections with, disconnections from, and injury to meters, service pipes, mis-user of water; bye-laws and regulations;
