In Parliament.—Session 1902.

West Ham Gas.

(Consolidation, &c., of Capital; Application of Funds; Additional Capital; Definition of Gas Lands; Purchase of and Powers as to Lands; Construction of Gasworks; Provisions as to Stoves, Fittings, and other Apparatus; Rates and Charges; Reduction of Illuminating Power; Provisions as to Price and Dividend and Surplus Profits; Amendment and Repeal of Acts, &c., &c.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session, by or on behalf of the West Ham Gas Company (hereinafter called "the Company") for leave to bring in a Bill for effecting the following objects, or some of them (that is to say):—

1. To consolidate and convert or provide for the consolidation or conversion of the several classes of shares in the existing capital of the Company into one or more class or classes of shares or stock of such nominal amount as the Bill may define, and to provide for the redemption or extinction of any existing shares of the

Company, and to fix and define the amount of dividend to which such consolidated or converted shares or stock or any class thereof shall be entitled; and to alter, define, and regulate the capital of the Company and the rights of the holders thereof.

2. To enable the Company to apply their corporate funds and revenues for all or any of the purposes of the Bill, and to authorise the Company to raise additional capital by the increase of any class or classes of consolidated or converted shares or stock, or by the creation of new shares or stock, and by loans or debenture stock, or by any one or more of those methods, and to attach to such shares or stock any guarantee, preference, or priority of dividend, or other advantages or rights as the Bill may define.

3. To define the limits of the lands upon which the Company may, under the provisions of the West Ham Gas Company's Act, 1856, manufacture and store gas and residual products as being the lands in the parish and borough of West Ham and county of Essex, now owned and occupied by the Company, on which their present gasworks stand, which lands contain an area of 17 acres 1 rood, or thereabouts, and adjoin on the east the towing path on the west side of the Channelsea River, on the south Abbey-lane, and on the south-west the northern outfall sewer of the London County Council, and are enclosed within the existing boundary wall of the works and property of the Company.

And in addition thereto to enable the Company to hold, for the purposes of their Undertaking, the lands in the parish and urban district of East Ham, and the parish of Little Ilford in the urban district of East Ham, and the parish of Barking in the Barking Town Urban District, all in the county of Essex, now belonging to the Company, and bounded on the east by the river Roding, on the north by the London Tilbury and Southend Railway, which lands contain 39 acres and 2 roods, or thereabouts, and comprise the properties numbered on the Ordnance Map (Scale $\frac{1}{2500}$ Second Edition, 1897) 68 in the said parish of Little Ilford, and 397 in the said parish of Barking, and the portion of the property numbered on the said Map 70 in the said parish of Little Ilford which lies to the east of the existing fence crossing that property from north to south, and the portions of the properties numbered on the said Map 8 and 9 in the said parish of East Ham which lie to the east of the fence running across those properties in continuation southward of the aforesaid fence, crossing the aforesaid property numbered 70, and which lie to the north of the fence running eastward from the termination of the said fence crossing the aforesaid property numbered 9 to the Back River, and the portions of the properties numbered on the said Map 405 and 406 in the said parish of Barking, which lie to the northward of the existing fence crossing those properties between the said Back River and the river Roding.

And to authorise and empower the Company, on all or any of such lands, to construct and maintain, and from time to time to alter, improve, enlarge, extend and renew, or discontinue gasworks and works for the manufacture, conversion, utilisation, storage, distribution and supply of gas and residual products obtained in or resulting from such manufacture or otherwise, and to manufacture and store gas, and to manufacture, convert, utilise, store, distribute, sell and deal in coke and residual products, and, if thought fit, to confirm the purchase by the Company of any such lands.
