

4. To authorise the Company to purchase and hold further lands for any purposes of their Undertaking; and to confer further powers upon the Company, with respect to the sale, letting, or disposal of land acquired by the Company.

5. To authorise the Company to provide, supply, sell, let, use, and otherwise deal in meters, stoves, engines, motors, dynamos, ranges, pipes, fittings, and other apparatus for warming, lighting, cooking, ventilating, and for motive power, and for all other purposes for which gas may be used, and to fix and remove or alter the same or any other fittings or apparatus, and to provide materials and do work or services in connection therewith, and to supply gas for the aforesaid purposes, and make and recover charges therefor, and to exempt any such articles, fittings, and things from distress, and to make provision for securing the safety and return thereof to the Company.

6. To amend the provisions of Section 27 of the West Ham Gas Act, 1889 (hereinafter referred to as "the Act of 1889"), and to reduce the illuminating power of the gas prescribed by that section, and to alter the provisions of the said Act with regard to the sliding scale of price and dividend.

7. To amend Section 14 of the Act of 1889 with respect to the reduction of the price of gas and the application of surplus profits of the Company.

8. To vary or extinguish all or any rights or privileges inconsistent with or which would interfere with any of the objects or purposes or provisions of the Bill, and to confer other rights and privileges, and to alter, amend, extend, or repeal the provisions, or some of the provisions, of the West Ham Gas Company's Act, 1856, the West Ham Gas Company's Act, 1869, and the Act of 1889, and any other Act or Acts relating to the Company or their Undertaking.

Printed copies of the intended Bill will be deposited in the Private Bill Office of the House of Commons on or before the 21st day of December next.

Dated this 15th day of November, 1901.

In Parliament.—Session 1902.

Gloucestershire Electric Power.

(Incorporation of Company; Power to establish Generating Stations and Works and supply Electricity, &c., in the County of Gloucester; Compulsory Purchase and User of Lands, &c.; Easements, &c.; Breaking Up of Streets, Roads, &c.; Laying down of Wires, Pipes, &c.; Abstraction of Water and Exercise of other Powers; Rates, &c.; Provisions as to Supply, and Capital; Agreements with and Powers to Local Authorities, Companies, and Bodies, and with and to Severn Commissioners and Crown; Incorporation and Amendment of Acts, &c., &c.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session for leave to bring in a Bill for effecting all or some of the purposes following (that is to say):—

To incorporate a Company (hereinafter called "the Company") for the purpose of establishing and carrying on electric works, and for generating, producing and supplying electric energy or power, and doing all things necessary for or ancillary to that purpose, and generally for the purposes of the Bill.

To authorise the Company to enter upon, take and use compulsorily or by agreement, and to hold amongst other lands, the lands in the county of Gloucester hereinafter described, or some of them, or some part or parts thereof respectively, and any estates, rights or interests in, or easements over, or in connection with the same (that is to say):—

(A) The property in the parish of Cainscross, in the rural district of Stroud, numbered on the Ordnance Map (scale 1:50,000) 388 in that parish, and the gardens and land extending between the south-easternmost portion of the aforesaid property and the road numbered on the said map 888 in the said parish.

(B) Lands in the parish or township of West Dean and rural district of West Dean adjoining, and on the south-west side of the Great Western and Midland Railway Companies' Severn and Wye and Severn Bridge Railway, near the Parkend Station thereon, which lands are bounded on the south, in part by the road which crosses the said railway to the northward of the said Parkend Station, in part by the road or way adjoining the southern boundary of the properties numbered on the said Ordnance Map 868 and 862 in the said parish or township of West Dean, and on the west in part by the brook known as the Cannop Brook, in part by the western boundary of the said property numbered 862, and in part by the eastern boundary of the property numbered on the said Map 861, in the said parish or township of West Dean, and the fence running south-eastward in continuation of such eastern boundary, and on the north by a line drawn from a point on the said railway situate 270 yards or thereabouts (measured along that railway northward) from the said first mentioned road to a point on the eastern boundary of the said property numbered 861, 30 yards or thereabouts from the northern boundary of the said property numbered 862.

And to empower the Company upon all or any of such lands and premises, or any part thereof, respectively, and on any other lands which may be acquired by them under the powers of the Bill, to erect, maintain, work, and use a station or stations for producing, generating, transforming, transmitting, conveying, and distributing electric energy or power, and any material, product, matter, or thing arising or used in process of such generation or transformation, with all necessary dynamos, batteries, accumulators, storage, motors, generators, engines, pipes, pumps, plant, machinery, works, buildings, appliances, apparatus, and conveniences for that purpose, and to produce, generate, transform, transmit, convey, store, and distribute such energy, power, materials, products, matters, and things, and to supply and distribute the same to and within the unions of Stroud, Tetbury, Dursley, Wheatenhurst, Westbury-on-Severn, and so much of the union of Monmouth as lies within the county of Gloucester, and the parish or township of Lydney and the parishes of Aylburton, Alvington, St. Briavels, and Hewelsfield in the Chepstow union, and the parishes of Hill, Ham and Stone, Alkington, Berkeley, Breadstone, Hamfallow, and Hinton in the union of Thornbury, all in the county of Gloucester.

And to empower the Company within such limits to purchase, erect, maintain, work, and use, sell, let, and dispose of lands, buildings, easements, dynamos, engines, batteries, works, machinery, vessels, plant, stock, electric energy,
