The cattle referred to in this paragraph shall not be allowed to be landed, unless the consignee shall have in each case and before shipment, made a written application, stating the approximate number of animals intended to be imported, and obtained the necessary permission after having agreed to abide by any regulations which may be established. Such application shall imply that the consignee has bound himself to abide by any regulations which may be in force on the day of importation, or which may be issued during the time in which the cattle may have to remain in quarantine, and also to pay the entrance fees, fees for guards, and other fees for ordinary or extraordinary expenses usually levied on cattle at the lazaretto.
