

Metrical Weights and Measures, Reduction, Vulgar Fractions and Decimals, excluding Recurring Decimals).

### 3. Geography (general).

Candidates who fail to obtain such an aggregate number of marks as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency will not be regarded as qualified.

4. Persons holding situations in the Civil Service, Engineer Students in the Navy, and Apprentices in His Majesty's Dockyards must obtain the permission of the authorities of their Department to attend the Examination, dated before the commencement of the competition.

5. No Candidate will be admitted to examination who does not, at such time as may be fixed by the Civil Service Commissioners, produce an undertaking, signed by his parent or guardian, that he will, if successful, reside either with his parents or guardians, or with relations or friends approved by such parents or guardians.

6. Application for permission to attend an Examination must be made at such times and in such manner as may be fixed by the Civil Service Commissioners.

7. A fee of four shillings will be required from every Candidate attending the Examination.

The Civil Service Commissioners further give notice, that an Open Competitive Examination for situations as Sorter-Telegraphist Learner in the General Post Office, London, will be held in London, under the foregoing Regulations, on the 17th June, 1902.

Appointments will be offered to not fewer than 60 of the Candidates highest on the list, provided they obtain the necessary aggregate of marks and are duly qualified in other respects.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 3rd June, an application in the Candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

### Civil Service Commission,

May 2, 1902.
