

ing, generating, using, or transforming such energy or power, and accumulators, meters, fittings, lamps, storage motors, apparatus, matters, and things, and to exercise such powers, and to do such work, and supply such materials and use such power as may be necessary or convenient in and for the production, storage, use, transmission, and conveyance, measurement, distribution, and supply of electric energy or power, and in and for providing and working materials for that purpose, or for fitting up and repairing such articles, matters, and things as aforesaid, or to make such articles, matters, and things as aforesaid, or to make charges therefor or otherwise for carrying on the Undertaking of the Company.

To authorize the Company to open, break up, and interfere with streets, roads, public places, ways, footpaths, toving-paths, railways, tramways, rivers, bridges, culverts, sewers, drains, pipes, telegraphic or pneumatic tubes, wires, and apparatus, and to lay down, set up, maintain, renew, or remove, either above or underground, pipes, tubes, wires, casings, troughs, inspection chambers and boxes, posts, apparatus, and other works, matters, and things, including pipes for conveying water and any materials, matters, or things used in or resulting from their operations to or from their works, and for these purposes, or any of them, to exercise within such limits the powers, or some of the powers, of the Gasworks Clauses Act, 1847, or the Waterworks Clauses Act, 1847, whether with or without modification or amendment.

To authorize the Company to take, collect, and recover rates, rents, and charges for the supply of electric energy, or of power, or any materials or products resulting from, or arising or used in, the generation or transformation of such energy or power, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith within the limits aforesaid, and to provide for the regulating, the method of charging for electric energy or power, or such materials or products supplied therein, and the dividends to be paid and the profits to be made by the Company.

To make provision for the inspection and testing of mains, conductors, and works, for the appointment and remuneration of electric inspectors, and for the supply, use, inspection, testing, and certifying of meters, fittings, and instruments.

To authorize the Company to enter upon any houses, buildings, or lands supplied or proposed to be supplied with electricity for any purposes relating to such supply.

To make special provision with respect to the rights and obligations of the Company to afford a supply of electric energy or of power, and the terms and conditions on which, and the bodies and persons to whom, such supply will be afforded, and the exercise of all or any of the powers aforesaid affecting streets and roads, and the control and regulation of the operations of the Company, and if and so far as necessary to exempt the Company from the provisions of the Electric Lighting Act, 1888, or the Electric Lighting (Clauses) Act, 1899.

To authorize the Company and any Local Authority, company, body, or person within the limits of supply, as defined as aforesaid, to enter into and carry into effect agreements with respect to all or any of the following matters (that is to say):—

The supply by or to the Company to or by such Local Authority, company, body, or

persons of electric energy, or of power, plant, fittings, or materials.

The prices to be charged for and the terms and conditions of such supply.

The execution on behalf of the Company by such authority, company, body, or persons, of any works in reference to the supply or use of electric energy or of power within the aforesaid limits of supply, or the exercise of any of the powers of the Company by such authority, company, body, or person, or the exercise by the Company of any powers of such Local Authority, company, body, or person.

The supply by such Local Authority, company, body, or persons, of water to the Company for condensing and other purposes of their Undertaking, and to confer all necessary powers on such authority, company, body, or person, to enable them to carry out the provisions of any agreement, and to confirm and give effect to any such agreements.

To exempt from distress or seizure under any process of law any electrical fittings, plant, machinery, or other things let by the Company for hire or disposed of on terms of payment by instalments.

To empower the Company to acquire and use patents and patent rights.

To incorporate with the Bill, with or without alteration or modification, the Companies Clauses Consolidation Act, 1845, and any Acts amending the same, and the Lands Clauses Act, and to extend and apply to the proposed Undertaking and works, and to the Company, with or without exception or variation, all or such of the provisions of the Electric Lighting Acts, 1882 and 1888, and the Acts incorporated therewith, and of the schedule to the Electric Lighting Clauses Act, 1899, as may be thought expedient or applicable, and to exempt the Company from, or apply to the Company in a modified form, all or any of the provisions of these Acts, and especially but not exclusively of those following (that is to say):—

(1) Section 13 of the Electric Lighting Act, 1882, as amended by the Electric Lighting (Clauses) Act, 1899, with respect to the breaking up of railways or tramways, or roads over bridges, and the provisions of the said Acts with regard to overhead wires, and also the provisions of the said Act of 1888 with respect to the purchase of the Undertaking by the Local Authority.

(2) The provisions of the schedule to the said Act of 1899 with respect to the following matters (that is to say):—The Undertakers to give security and accounts, compulsory works, supply, price electric inspectors, testing, inspection, revocation of powers, and nuisance.

To vary or extinguish all or any rights and privileges inconsistent with, or which would or might interfere with the objects of the intended Bill, and to confer other rights and privileges.

And notice is also hereby given, that plans showing the lands which may be taken compulsorily under the powers of the Bill, with a book of reference to such plans, and a copy of this Notice as published in the London Gazette, will on or before the 30th day of November instant be deposited for public inspection with the Clerks of the Peace for the counties of Salop, Worcester, and Denbigh, at their respective offices at Shrewsbury, Worcester, and Ruthin; and that on or before the same day a copy of so much of the said plans and book of reference as relate to each of the areas in which any lands intended to be taken compulsorily are situate, together with a copy of this Notice as published in the London
