

Public notice of Vaccination arrangements and other matters.

ARTICLE V. The Corporation shall appoint the days on which and the hours during which each Vaccination Centre shall be opened and be kept open for the purpose of vaccination and of the inspection of persons with a view to ascertain the results of operations, and shall from time to time cause public notice of the days and hours during which each Vaccination Centre may be open for the purposes aforesaid, and of any other matters which form the subject or arise out of the Regulations, to be given by hand-bills, placards, or otherwise in such manner as may be sufficient and appropriate for affording information to all persons interested.

Employment of Vaccinators.

ARTICLE VI The Corporation shall employ a registered medical practitioner (hereinafter referred to as a "Vaccinator") to perform vaccination and re-vaccination at each Vaccination Centre:

Provided that if the Public Vaccinator for the Vaccination District comprising the Borough is willing to accept employment under the Regulations as a Vaccinator at any Vaccination Centre the Corporation shall employ the Public Vaccinator accordingly:

Provided also that no person shall be employed as a Vaccinator under this Order unless he has obtained a Certificate of proficiency in Vaccination given by some person whom We have authorized to act for the purpose.

Application of certain provisions of Vaccination Order, 1898, and Vaccination Acts.

ARTICLE VII.—(1.) In the performance and inspection of every operation in pursuance of the Regulations, and otherwise for the purposes of the Regulations, the Medical Officer of Health and every Vaccinator shall observe the "Instructions to Vaccinators under Contract," contained in the Third Schedule to the Vaccination Order, 1898, as if he were a Public Vaccinator under Contract, within the meaning of that Order.

(2.) The Medical Officer of Health who performs vaccination or re-vaccination, and every Vaccinator shall cause all vaccinations or re-vaccinations performed by him, with the results as ascertained by inspection, to be duly registered in a register which shall be in the Form O contained in the Fifth Schedule to the Vaccination Order, 1898, with the necessary modifications, and the entries therein shall be made in the manner directed in the said Instructions to Vaccinators under Contract.

(3.) In all other respects the Medical Officer of Health who performs vaccination or re-vaccination, and every Vaccinator shall comply with all such provisions of the Vaccination Acts, 1867 to 1898, as are applicable to a Medical Practitioner who is not a Public Vaccinator.

Payments to Vaccinators.

Article VIII. The Corporation shall pay to every Vaccinator employed under the Regulations such sum in respect of every successful primary vaccination and of every successful re-vaccination performed by him, as may be agreed upon between the Corporation and the Vaccinator:

Provided that no payment shall be made in respect of any vaccination unless the same has been performed in accordance with the Regulations, nor unless the provisions of the Vaccination Acts, 1867 to 1898, applicable to vaccinations performed by persons other than public vaccinators have been observed with reference thereto:

Provided also that no payment shall be made in respect of the re-vaccination of any person who shall be less than 10 years of age, unless the Medical Officer of Health, having regard to the special circumstances of the case, has advised the re-vaccination of the person to be necessary.

Medical Visitor.

ARTICLE IX.—(1.) If the Medical Officer of Health so advise, the Corporation shall employ a registered medical practitioner (to be called "the Medical Visitor") who shall be in charge of the Borough or any subdivision of the Borough for the purposes of the Regulations.

(2.) Each such Medical Visitor while so in charge shall act under the superintendence of the Medical Officer of Health.

(3.) The Medical Visitor shall comply with such instructions as, in accordance with the advice of the Medical Officer of Health, may be given by the Corporation with regard to—

- (a) the visitation of the Borough or of any subdivision of the Borough or of any house in the Borough or sub-division; and
- (b) inquiry into the existence of Small-pox; and
- (c) the reporting of cases of Small-pox or suspected Small-pox.

Expenses.

ARTICLE X. Any expenses incurred by the Corporation in the execution of the Regulations shall be deemed to be incurred in the execution of the Public Health Act, 1875, and may be defrayed accordingly.

Offences.

ARTICLE XI. A person shall not wilfully obstruct the Medical Officer of Health, a Vaccinator, or a Medical Visitor in the exercise of any power or the discharge of any duty under the Regulations, and a refusal to comply with a reasonable requisition of the Medical Officer of Health, a Vaccinator, or a Medical Visitor, shall, for the purposes of the Regulations, be deemed to be a wilful obstruction of the Medical Officer of Health, the Vaccinator, or the Medical Visitor, as the case may be.

Definition.

ARTICLE XII. In this Order the expression "Medical Officer of Health" includes any duly qualified Medical Practitioner appointed or employed by the Corporation to act in the execution of the Regulations.

Short Title.

ARTICLE XIII. This Order may be cited as "The Dewsbury (Small-pox Prevention) Order, 1904."

Given under the Seal of Office of the Local Government Board, this twenty-first day of October, in the year one thousand nine hundred and four.

Walter H. Long,
President.

S. B. Provis, Secretary.

NOTICE.—Section 1 (3) of the Public Health Act, 1896, provides that if any person wilfully neglects or refuses to obey or carry out, or obstructs the execution of any regulation made under section one hundred and thirty or section one hundred and thirty-four of the Public Health Act, 1875, or in pursuance of either of those
