The marks assigned to Candidates in each branch (except in Mathematics and English Composition) will be subject to such deduction as the Civil Service Commissioners may deem necessary in order to secure that a Candidate be allowed no credit at all for taking up a subject in which he is a mere smatterer.

Candidates are at liberty to name any of these branches of knowledge, with the proviso that the maximum number of marks that can be obtained from the subjects chosen is limited to 6,000. If this maximum is exceeded by a Candidate's selection he will be required to indicate one of his subjects the marks for which should, in his case, be reduced so as to bring his maximum marks within the prescribed limit. The marks so reduced will be subject to a correspondingly reduced deduction.

3. Application for permission to attend one of these Examinations must be made in the writing of the Candidate, at such times and in such manner as may be fixed by the Commissioners.

4. A fee of £6 will be required from every Candidate attending an examination.

5. Out of the list resulting from each Examination will be filled (provided there be Candidates duly qualified):—

(a) All the vacancies in Class I which may have been reported to the Civil Service Commissioners up to the date of the announcement of the result of the Examination ;

(b) Any additional vacancies occurring within six months from the date of the announcement of the result of the Examination, which the Head of the Department may desire to have so filled.

Candidates will be allowed to choose, according to their place on the list, among the vacancies (a) for which they are duly qualified ; or they may elect to wait for the chance of a vacancy (b). When vacancies (b) occur, they will be offered in rotation to the qualified Candidates then on the list, who will be free to decline them without forfeiting their claim to subsequent vacancies (b).

THE DISEASES OF ANIMALS ACTS, 1894 TO 1903.

BOARD OF AGRICULTURE AND FISHERIES.

Notice is hereby given, in pursuance of section 49 (3) of the Diseases of Animals Act, 1894, that the Board of Agriculture and Fisheries have made the following Orders :—
