Board of Trade.—Session 1905.

TEWKESBURY ELECTRIC LIGHTING.

(Power to the Mayor, Aldermen and Burgesses of the Borough of Tewkesbury to supply Electricity for Public and Private purposes within the Borough of Tewkesbury; to construct Works; to acquire Lands; to make Charges; to open Streets and lay Electric Lines; Incorporation of Acts; and other purposes.)

NOTICE is hereby given, that application is intended to be made to the Board of Trade on or before the 21st day of December next by the Mayor, Aldermen and Burgesses of the borough of Tewkesbury (who are hereinafter called "the Corporation"), for a Provisional Order (hereinafter called "the Order") under the Electric Lighting Acts of 1882 and 1888 for all or some of the following purposes (that is to say):—

1. To authorize the Corporation for such period as may be prescribed to produce, store, sell and supply electricity for all public and private purposes, and to apply electrical power and energy as defined by the said Acts or either of them within the borough of Tewkesbury (hereinafter called "the area of supply"). It is proposed that electric lines and works shall be laid down within two years after the commencement of the Order in the following roads and streets:—High-street, Barton-street, Church-street.

To authorize the Corporation to break up or interfere with all streets or roads over, under or across any railway within the area of supply, and to break up or interfere with the Midland Railway branch line to the quay, Tewkesbury, at

the level crossings in Chance-street, the Oldbury, High-street, and down or along Quay-lane or street.

2. To authorize the Corporation to purchase, hold and acquire, or take on lease, any lands or easements in lands for the purposes of the said Order, and with power to sell and dispose of the same.

3. To authorize the Corporation to construct, provide, lay down, renew, alter and maintain on land belonging to or leased by the Corporation within the area of supply such central and other stations, buildings and works for the generation, storage, supply and distribution of electricity as may from time to time be necessary for supplying electricity within the said area, or for other the purposes of the Order, together with the engines, machinery and other apparatus necessary or convenient for the purposes aforesaid, and to lay down, place, maintain, alter or renew electric lines, wires, conductors, mains, pipes and other apparatus and works for the supply and distribution of electricity in, through, under, over, along or across all streets, bridges, highways, lanes, roads, thoroughfares, railways, tramways, waterways, public passages and places within the said area of supply.

4. To authorize the Corporation to open and break up for the purposes of the said Order the soil and pavement of the several streets and thoroughfares within the area of supply, and to take up, relay, divert and alter sewers, drains, mains and all pipes and works therein within the said area of supply, and to do all such other works and acts as may be necessary to carry into effect the objects of the Order.

5. To authorize the Corporation to acquire and hold patent rights and licences in relation to the manufacture and distribution of electricity, and to manufacture, purchase, hire, sell and supply meters, lamps, appliances, machinery and apparatus in relation thereto.

6. To authorize the Corporation and any Local or other Public Authority, Company or person to make or carry into effect agreements for the production and distribution of electricity, and for the performing of all acts incidental to public and private lighting, and to empower the Corporation to transfer or lease to any Company or person all or some of their powers, duties, liabilities and works for such period and upon such terms and conditions as may be agreed upon.

7. To empower the Corporation to make charges and levy rates and recover rents and charges for the supply of electricity, and for the use of any machines or apparatus in connection therewith, and to define and limit the prices to be charged for such supply.

8. To confer upon the Corporation and incorporate in the Order all or any of the powers of the Electric Lighting Acts, 1882 and 1888, and enactments incorporated therewith, to incorporate in the Order all or some of the provisions contained in the schedule to the Electric Lighting (Clauses) Act, 1899, and such other powers, rights and privileges as may be necessary or expedient for carrying out the purposes of the Order, and to vary or extinguish any rights and privileges which may be inconsistent therewith.

And notice is hereby further given, that a map showing the boundaries of the proposed area of supply, and a copy of this advertisement as published in the London Gazette, will be deposited on or before the 30th day of November instant for public inspection at the offices of the Clerk of the Peace for the county of Gloucester at his office at Gloucester, of the Clerk of the
