### LONDON COUNTY COUNCIL (TRAMWAYS) BILL.

(Alteration of Works.)

**N**OTICE is hereby given, that during the progress of the above Bill through the House of Commons (in which Honourable House the Bill originated), provision has been made for certain alterations of the line or situation of Tramways Nos. 1, 1A, and 2, as originally proposed to be authorised by the Bill as introduced into Parliament. Such alterations are as follows, namely:—

(1.) The construction of so much of the said Tramway No. 1 as will be situate in Westminster Bridge-road, and on Westminster Bridge, and the approaches thereto, and the Victoria Embankment, in such a position as to be adjacent to the kerb of the footway on the northern side of the said road, bridge, and approaches, and the eastern or south-eastern side of the said Embankment, instead of in the position in the roadway shown on the Plans deposited in the month of November last, in respect of the said Bill, with the Clerk of the Peace for the County of London (hereinafter referred to as "the November Plans"), such alteration commencing at or near the point of commencement of the said tramway as shown on the November Plans, and terminating on the Victoria Embankment, at a point  $1\frac{1}{2}$  chains or thereabouts westward of the western side of Waterloo Bridge, and being in

(3.) The construction of so much of the said Tramway No. 2 as will be situate between a point  $1\frac{1}{2}$  chains or thereabouts westward of the western side of Waterloo Bridge, and a point  $1\frac{1}{2}$  chains or thereabouts westward of the north-western corner of Blackfriars Bridge, in such a position as to be adjacent to the kerb of the footway on the southern side of the Victoria Embankment, instead of in the position in the roadway shown on the November Plans, such alteration being in the Precinct of the Savoy and the parishes of St. Mary-le-Strand and St. Clement Danes, in the City of Westminster, and the extra parochial places of the Inner Temple and Middle Temple, the Precinct of Whitefriars, the parish of St. Bride, and the Precinct of Bride-well, in the City of London.

The London County Council (the promoters of the said Bill) accordingly intend, if the said Bill becomes law, to construct the said Tramway and portions of Tramways in such altered line or situation.

And notice is also hereby given that amended Plans and Sections, showing the proposed alterations of works and the lands through which the same will be made, together with a Book of Reference to such amended Plans, have been deposited for public inspection with the Clerk of the Peace for the County of London, at his office, at the Sessions House, Clerkenwell Green, E.C., and with the Clerk of the Peace for the County of the City of London, at his office, at the Sessions House, Old Bailey, E.C., and also with the following officers, viz. :—
