

Gazette published within the limits of the said Order, declare that any part of Africa within the limits of the said Order shall, until otherwise directed, be excepted from the application of the said Order, and that from the date of the publication of that notice in such official Gazette the part named in the said declaration shall be excluded from the limits of the said Order;

And whereas by the Barotziland North Western Rhodesia Order in Council, 1899, as amended by the Barotziland North Western Rhodesia Order in Council, 1902, it is provided that a Secretary of State may, from time to time by notice published in the Official Gazette of the High Commissioner for South Africa, declare that any parts of Africa north of the Zambesi and under the protection of His Majesty shall be included within the limits of the said Order, and that from the date of such publication in the said Gazette the said Order shall apply to the part named therein;

And whereas it is expedient that the parts of Africa north of the Zambesi hereinafter described should be excepted from the application of the North Eastern Rhodesia Order in Council, 1900, and should be included within the limits of the Barotziland North Western Rhodesia Order in Council, 1899;

Now, therefore, I, the Right Honourable Alfred Lyttelton, one of His Majesty's Principal Secretaries of State, do, in pursuance of the powers conferred on me by the said Orders in Council, hereby declare that the parts of Africa bounded on the north by the Congo Free State; on the west by the Territory of North Western Rhodesia; on the south by the River Zambesi; and on the east by a line drawn from the point where the Congo Zambesi watershed is cut by the meridian which passes through the point at which the Luapula River leaves Lake Bangweolo to the headwaters of the River Mlembo, thence along the centre of the channel of the River Mlembo to the junction of that river with the River Lukasashi, thence along the channel of the River Lukasashi to the junction of that river with the River Loangwa, and thence along the centre of the channel of the River Loangwa to the junction of that river with the River Zambesi, shall be excepted from the application of the North Eastern Rhodesia Order in Council, 1900, and shall henceforth be included within the limits of the Barotziland North Western Rhodesia Order in Council, 1899.

H. 12822.

The Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated September 20, from His Majesty's Representative at Budapest, intimating that in view of the outbreak of sporadic cholera in Galicia steps are being taken by the Sanitary Department of the Royal Hungarian Ministry of the Interior to establish a system of medical examination of passengers crossing the Galician frontier into Hungary.

Emigrants are being examined by Medical Officers at the railway stations of Budapest and Fiume, and a chief Sanitary Inspector has been sent to Fiume to organize the necessary preventive measures against cholera.

The Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated September 20, from His Majesty's Representative at Trieste, enclosing the following translation of a Circular issued by the Imperial and Royal Marine Board at Trieste, respecting arrivals from Zanzibar:—

It being officially reported that bubonic plague has broken out at Zanzibar, arrivals from that port are subject to the prescriptions contained in Government Circular No. 12468 of August 12th, 1904.

Trieste, September 10, 1905.

The President,
EBNER.

London, September 28, 1905.*

H. 12824.

The Board of Trade have received, through the Secretary of State for Foreign Affairs, copies of two Circulars issued by the Austrian authorities respecting arrivals from Adalia and the Malay Peninsula.

It is notified that owing to the existence of bubonic plague in Adalia arrivals from that place will be treated as instructed by the Government Circular of 12th August, 1904.

The Circular imposing measures on arrivals from the Malay Peninsula has been withdrawn, the outbreak of plague there having ceased.
