

Majesty Queen Victoria, chapter forty-nine; and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter fifty-five, have prepared and now humbly lay before Your Majesty in Council the following representation as to the assignment of a district chapelry to the consecrated church called Christ Church, Allonby, situate within the parish of Bromfield, in the county of Cumberland and in the diocese of Carlisle.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church called Christ Church, Allonby, situate as aforesaid.

"Now therefore, with the consent of the Right Reverend John William, Bishop of the said diocese of Carlisle (testified by his having signed and sealed this representation), we, the said Ecclesiastical Commissioners, humbly represent, that it would, in our opinion, be expedient that all that part of the said parish of Bromfield which is comprised within and is co-extensive with the limits of the Township of Allonby, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, should be assigned as a district chapelry to the said church called Christ Church, Allonby, situate as aforesaid, and that the same should be named 'The District Chapelry of Allonby'.

"And with the like consent of the said John William, Bishop of the said diocese of Carlisle (testified as aforesaid), we, the said Ecclesiastical Commissioners, further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials should be solemnized or performed at the said church called Christ Church, Allonby, situate as aforesaid, and that the fees to be received in respect of the publication of such banns and of the solemnization or performance of the said offices should be paid and belong to the minister of the same church for the time being: Provided always, that nothing herein contained shall be construed as expressing any intention on the part of us, the said Commissioners, to concur in or approve the taking of any fee for the performance of the said office of baptism or for the registration thereof.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration and to make such Order with respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet."

And whereas the said representation has been approved by His Majesty in Council: now, therefore, His Majesty by and with the advice of His said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Carlisle.

of an invention at an industrial or international exhibition, certified as such by the Board of Trade, or the publication of any description of the invention during the period of the holding of the exhibition or the use of the invention for the purpose of the exhibition in the place where the exhibition is held, or the use of the invention during the period of the holding of the exhibition by any person elsewhere without the privity or consent of the inventor shall not prejudice the right of the inventor or his legal personal representative to apply for and obtain provisional protection and a patent in respect of the invention or the validity of any patent granted on the application provided that both the following conditions are complied with, namely:—

(a) The exhibitor must, before exhibiting the invention, give the Comptroller the prescribed notice of his intention to do so; and

(b) The application for a patent must be made before or within six months from the date of the opening of the exhibition:

And whereas the said Act further provides by section fifty-seven that the exhibition at an industrial or international exhibition, certified as such by the Board of Trade, or the exhibition elsewhere during the period of the holding of the exhibition without the privity or consent of the proprietor of a design, or of any article to which a design is applied, or the publication during the holding of any such exhibition of a description of a design shall not prevent the design from being registered or invalidate the registration thereof, provided that both the following conditions are complied with, namely:—

(a) The exhibitor must before exhibiting the design or article or publishing a description of the design give the Comptroller the prescribed notice of his intention to do so; and

(b) The application for registration must be made before or within six months from the date of the opening of the exhibition:

And whereas His Majesty, by virtue of the authority committed to Him by the provisions of the Patents Act, 1886, is empowered by Order in Council from time to time to declare that the provisions of the said Act of 1883 above recited shall apply to any exhibition mentioned in the Order in like manner as if it were an industrial or international exhibition certified by the Board of Trade, and to provide that the exhibitor shall be relieved from the first of the conditions specified in the said hereinbefore recited sections of the said Act of 1883.

Now, therefore, His Majesty, by and with the advice of His Privy Council, and by virtue of the authority committed to Him by the said Act of 1886, doth declare, and it is hereby declared, that the provisions of the foregoing sections of the said Act of 1883 shall apply to the International Exhibition to be held at Milan in the year one thousand nine hundred and six; and, further, that the exhibitor of an invention, a design, or any article to which a design is applied, shall be relieved from the conditions specified in the said hereinbefore recited sections of the said Act of 1883 of giving notice as therein required of his intention to exhibit such invention, design, or article to which a design is applied.
