

such transfer, and in token of such his willingness and also in token that the same transfer has that consent of the Bishop of the diocese which by the Acts in the hereinbefore mentioned Act recited or by some or one of them is made necessary, he, the said Edgar, Bishop of Saint Albans, has executed this scheme as hereinafter mentioned.

"And whereas the transfer of the patronage of the said benefice of Abbots Langley, which is hereinbefore mentioned and hereinafter recommended and proposed will in our opinion tend to make better provision for the cure of souls in the parish or district in or in respect of which the right of patronage or advowson so recommended and proposed to be transferred as aforesaid arises or exists, that is to say, in the parish of Abbots Langley.

"Now therefore with the consent of the said Edward Henry Loyd (in testimony whereof he has signed and sealed this scheme), and with the consent of the said Edgar, Bishop of Saint Albans (in testimony whereof he has signed this scheme and sealed the same with his Episcopal seal), we, the said Ecclesiastical Commissioners for England humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order, the whole advowson or perpetual right of patronage of and presentation to the said benefice of Abbots Langley, now vested in him the said Edward Henry Loyd as aforesaid, shall be transferred to the said Edgar, Bishop of Saint Albans, and his successors in the same Bishoprick, and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Edgar, Bishop of Saint Albans, and by his successors in the same Bishoprick for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Saint Albans.

At the Court at *Buckingham Palace*, the 30th day of *June*, 1906.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, duly prepared and laid before His Majesty in

Council a scheme bearing date the fourteenth day of June, in the year one thousand nine hundred and six, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the rectory of Leverington in the county of Cambridge and now vested in us.

"Whereas, under and by virtue of an Act of the thirty-third and thirty-fourth years of Her said late Majesty, chapter one hundred and fifty-five, section sixteen, certain lands particularly mentioned in the preamble of the said Act became vested in us for all the estate and interest therein of the Rector of Leverington and his successors and for the purposes and subject to the provisions applicable to other hereditaments vested in us for the purposes of our common fund.

"And whereas the said lands are not subject to any outstanding beneficial lease or grant, but some portions thereof on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas with a view to the advantageous appropriation of the same or of the proceeds thereof, for the ultimate improvement of our common fund, it is expedient that the said lands so in our possession as aforesaid, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such lands or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing duly executed according to law, from time to time to sell or dispose of, and duly to convey according to the provisions of the said first-mentioned Act all or any of the said lands so in our possession as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall upon due calculation and enquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands, tithes, rent charges, tenements or hereditaments, or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary stock or other public securities in England.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said first mentioned Act or of any other Act of Parliament."

And whereas the said scheme has been approved
