**GRIMSBY ELECTRIC LIGHTING
(EXTENSION).**

(Power to the Corporation of Grimsby to Produce, Store and Supply Electricity in the Parishes of Little Coates, Great Coates, Stallingborough, Habrough, Immingham, Healing, Aylesby, Bradley, Laceby, Waltham and Scartho, in the Parts of Lindsey, in the County of Lincoln; Construction of Works; Breaking up and other Interference with Streets; Levying Rates and Charges; Amendment of Grimsby (Corporation) Electric Lighting Order, 1894; Incorporation of Acts; and other Purposes.)

NOTICE is hereby given, that the Mayor, Aldermen and Burgesses of the county borough of Grimsby (hereinafter called "the Corporation"), whose address is the Town Hall, Grimsby, intend to apply to the Board of Trade, on or before the 21st day of December next, for a Provisional Order (hereinafter called "the Order"), under the Electric Lighting Acts, 1882 and 1888, and the Electric Lighting (Clauses) Act, 1899, for all or some of the following amongst other purposes (that is to say):—

1. To extend the area of supply under the Grimsby (Corporation) Electric Lighting Order, 1894, and to authorize the Corporation to produce, store, supply, sell, purchase, transmit and distribute electricity for all public and private purposes within the area hereinafter described and hereinafter called "the area of supply" (that is to say):—

The parishes of Little Coates, Great Coates, Stallingborough, Habrough, Immingham, Healing, Aylesby, Bradley, Laceby, Waltham and Scartho, all in the rural district of Grimsby, in the Parts of Lindsey, in the county of Lincoln.

2. To authorize the Corporation to acquire, construct, use, sell, let and otherwise dispose of machinery, plant and apparatus for the production, storage, regulation, measurement, distribution and supply of electricity, and also to acquire, construct, maintain and enlarge, and to discontinue, sell or otherwise dispose of such lands, buildings, machinery, appliances and other property as shall be required for the purpose of containing, manufacturing and working the machinery, plant and apparatus to be so used for the production, storage, regulation, measurement, distribution and supply of electricity.

3. To authorize the Corporation to place and lay down, maintain, alter and renew electric lines, mains and other works in, under, and along all public and private streets, roads and other places within the area of supply.

4. To authorize the Corporation within the

area of supply to cross, break up, open, alter, divert or stop up and interfere with, either temporarily or permanently, any roads, high ways, footpaths, pavements, streets, public places, thoroughfares, bridges, railways, tramways, sewers, drains, pipes, rivers, streams, brooks, watercourses, mains and all pipes therein, telegraphic, telephonic and electric wires, posts and pipes, pneumatic tubes and apparatus within the area of supply, and to do all such other works as may be necessary to carry into effect the objects of the Order.

5. The following are the names of the streets or roads in which the Corporation propose to lay electric lines within a specified time (that is to say):—Gilbey-road, in the parish of Little Coates, commencing from its junction with Pyewipe-road and extending thence for a third of a mile westward, and Scartho-road, in the parish of Scartho.

6. The following are the names of the railways and tramways which the Corporation propose to take powers by the Order to break up:—Railways.—Great Central Railway, Great Northern Railway, Grimsby District Light Railways. Tramways.—Grimsby and District Tramways.

7. To authorize the Corporation to purchase hold and acquire or take on lease any lands or easements in lands which they may require for the purposes of the Order.

8. To authorize the Corporation and any local authority, body, company or person to make and carry into effect agreements for the production and distribution of electricity and for the performing of all acts incidental to public and private lighting.

9. To authorize the Corporation to levy, make and recover rates, rents and charges for the supply of electricity, and in respect of the sale and hire of machinery, plant, apparatus and instruments, and to confer, vary and alter exemptions from the payment of such rates, rents and charges, and to confer, vary and extinguish other rights and privileges and to define and limit the prices to be charged for the supply of electricity.

10. To authorize the Corporation, their officers, servants and workmen to enter upon lands, buildings and other premises and to examine any machinery, plant, apparatus or instruments supplied by the Corporation or used in connection with their lines or works, and to execute such works and to do such things as shall be necessary for the regulation or prevention of the use misuse or waste of electricity, and to impose and recover penalties for the fraudulently interfering with any such machines and things as aforesaid.

11. To provide for the terms and conditions upon which the Corporation may supply electricity to consumers having a separate source of supply.

12. To confer upon the Corporation all the powers and privileges, exemptions and rights given or proposed to be given to Undertakers by the Electric Lighting Acts, 1882 and 1888, and to authorize and enable them to exercise and enjoy the same throughout the area of supply.

13. To amend, alter or repeal all or some of the provisions of the Grimsby (Corporation) Electric Lighting Order, 1894.

And notice is hereby given, that a map showing the boundaries of the proposed area of supply (and the streets or roads in which it is proposed that electric lines shall be laid down within a
