

who are, for the time being, legally liable for the repair and maintenance of the respective portions of roads and footpaths so diverted or otherwise as may be prescribed by the intended Act.

10. To make such provision as may have been or may be agreed upon or as may be thought proper by Parliament, or be prescribed or authorized by the intended Act, for the protection and benefit of the landowners, mineowners, owners of mills and other works and other bodies and persons whose property, rights and interests will or may be affected by the intended works, and of their property, rights and interests, and to authorize, confirm or give effect to any agreements or arrangements which may be entered into between the Council and any such land, mine, mill or other owners, bodies or persons, or some or any of them.

11. To extend the powers of the Council in regard to the construction, laying down, erection and maintenance of mains, culverts, drains, pipes, sluices, wells, tanks, cisterns, engines, machinery, buildings, works and conveniences, and to make all or some of the provisions of the Public Health Acts applicable to such works throughout the area of supply and the parishes in which the works above described will be situated.

12. To empower the Council to acquire compulsorily easements or wayleaves in or under lands in the said parishes for the purposes of the works above described, instead of purchasing such lands and to exercise and do on any lands such works, matters and things as are mentioned or referred to in section 12 of the Waterworks Clauses Act, 1847.

13. To authorize the Council to discharge water from any of the intended works into any streams or watercourses on the line thereof or near thereto or with which such works may be made to communicate.

14. To make provision with reference to the quantity or amount of compensation (if any) by water or otherwise to be given by the Council in respect of the proposed taking, impounding and diverting of water, and (in case of compensation by water) with reference to the time and manner of the delivery thereof and the mode of measuring or ascertaining the quantity to be delivered.

15. To make special provision for protecting the water works, property and water supply for the time being of the Council, and for preventing the pollution of the streams, springs and gathering grounds and sources of water supply of the Council, whether existing or to be acquired under the powers of the Bill, and to confer on the Council all necessary powers in that behalf, and to enable the Council on any lands within their drainage area to construct, lay down and maintain drains, watercourses and other works for the more effectual flow of the streams feeding Hayes Water aforesaid.

16. To empower the Council as regards any lands within any drainage area in which the waters which the Council are now or may be by the Bill authorized to impound or take, arise or flow, to make and enforce bye-laws for maintaining the purity and preventing the polluting, fouling, contaminating or discolouring of such waters, and for intercepting, controlling and disposing of any foul waters or matter arising or flowing upon, in, through, over or from any such lands, and by such bye-laws (inter alia) to prescribe the construction, laying down and maintenance of drains, sewers, watercourses and other

works and conveniences necessary and proper for the purposes aforesaid in, through, over and upon any of the said lands, and to make compensation to persons interested in such lands, who shall be injuriously affected by the said bye-laws.

17. To extinguish all rights of sheep washing in Hayes Water and in the springs, streams and waters feeding the said Water.

18. To empower the Council and the Local and any public authority, of or having any jurisdiction in any district in which any such lands are situate, and the owners, lessees, and occupiers of any such lands, to enter into and fulfil agreements for or in relation to the maintenance of the purity and prevention of the polluting, fouling, contaminating or discolouring of the waters which the Council are so authorized to impound or take as aforesaid, and to confirm any such agreements as may have been or which during the progress of the Bill may be entered into for or in relation to the purposes aforesaid or any of them.

19. To make such provision (if any) as the Bill may prescribe or as Parliament may authorize or require with reference to the supply of water by the Council by means of their intended works or any of them, to other local, sanitary and other authorities and bodies, whether within or without the Council's authorized limits of supply whose districts are situate in the neighbourhood of the said intended works, or any of them, and the terms, conditions, limitations, rights and reservations under which any such supply is to be afforded by the Council.

20. To authorize the Council on the one hand, and any local or sanitary authority, county, district, or parish council, corporation, company, trustees, bodies, persons or person (corporate or not corporate) on the other hand, to enter into and carry into effect and to vary or rescind contracts and agreements for the sale or supply by the Council from their existing and their intended works, or either of them, of water in bulk, by measure or otherwise, to any such authority, corporation, company, trustees, bodies, persons or person, for use either within or beyond the limits for the supply of water by the Council on such terms and conditions as may be agreed between them or the Bill may prescribe, and to authorize such authorities, councils, corporations and bodies respectively to arise money for the purpose of carrying out any such agreements or any of the provisions of the Bill, and to charge the same on any funds, rates, or revenues under their control.

21. To empower the Council to purchase or take by compulsion or agreement the freehold of the site of the high level service reservoir of the Council, situate in the parish and urban district of Penrith in the county of Cumberland in the north-east corner of field No. 935 on the $\frac{1}{2500}$ Ordnance Map, 2nd edition, 1900, together with the approach road to the same through the same field.

22. To empower the Council to purchase or take by compulsion or agreement the freehold of the site of the low level service reservoir of the Council situate in the said parish and urban district of Penrith numbered 1033 on the said $\frac{1}{2500}$ Ordnance Map, together with the approach road to the same, through field numbered 1032 on the said Ordnance Map.

23. To constitute the proposed works, part of the water undertaking of the Council, and to extend and apply all or some of the provisions of
