(2.) In the case of sheep moved into the Dipping Area between the twenty-first day of August and the first day of September, or between the first day of October and the twelfth day of that month, it shall be sufficient compliance with this Article if the sheep are dipped within ten days after the movement.

The exemption may be granted subject to conditions as to subsequent dipping or otherwise. A copy of every exemption shall be sent to the Board. The exemption shall be in the Form A set forth in the Second Schedule hereto, or to the like effect;

(i.) The notice shall be delivered, or sent by post, to such person as the Local Authority of the District may appoint to receive such notices in respect of sheep in their District.

(ii.) The notice shall be sent or delivered at such time as to be received by the appointed person three clear days, at least, before the intended time of dipping, unless a shorter notice is authorised by the Local Authority.

(iii.) The notice shall state the time and place of the intended dipping, and the approximate number of sheep intended to be dipped.

(2.) If from any cause the dipping of the sheep on the date specified in a notice becomes impracticable, no further notice shall be required if the sheep are dipped as soon after such date as is practicable.

(3.) A return in the Form B set forth in the Second Schedule hereto, or to the like effect, shall be sent immediately after each dipping by the owner or person in charge of the sheep dipped to the person appointed to receive such returns by the Local Authority of the District in which the sheep are dipped, except in any case in which an Inspector or other officer of the Local Authority is present at the dipping.

Clipping before Dipping.

5. During the second prescribed dipping period a sheep shall not be deemed to have been dipped in accordance with the requirements of this Order, unless it has been previously clipped in the current year, but this provision shall not apply to lambs less than nine months old.
