

done, entered into, or done by, to, or with reference to the Corporation instead of the District Council, the Nuneaton Burial Board, or the Attleborough Burial Board respectively, and may be proceeded on or enforced in the same manner in all respects as if the Corporation instead of the District Council, the Nuneaton Burial Board, or the Attleborough Burial Board respectively had been party or privy to the same and had been named or referred to therein.

In case any officer of the District Council, the Nuneaton Burial Board, or the Attleborough Burial Board respectively, who shall have been employed by the District Council, the Nuneaton Burial Board or the Attleborough Burial Board, shall not be employed by the Council of the said borough nor offered by the said Council a position in their employ of a similar character and of an equal value to that formerly held by him, he shall be entitled to be paid, by way of compensation for the loss of his position, out of the funds of or under the control of the Corporation acting by the Council as the Sanitary Authority for the said borough, and the amount to be paid in each case shall be determined in accordance with the provisions of section 120 of the Local Government Act, 1888, and subsections (1) to (7) inclusive of that section, shall apply as if they formed part of this Scheme, with the substitution of the words "Borough Council" for "County Council," and "this Scheme" for "this Act," and with such other modifications as are necessary to make them applicable hereto.

Provided, nevertheless, that if any such officer be so employed by the said Corporation and discharged by them (otherwise than for misconduct) within four years of the commencement of this Scheme, he shall be entitled to compensation in the same manner as if he had not been employed by the said Corporation. Provided that the term "officer" shall include only persons employed by the said Council whose salaries or emoluments are payable at intervals of not less than one month, and no other persons.

The Accounts of the District Council and their officers shall be (as soon as conveniently may be) audited by the District Auditor in like manner, and subject to the like powers, duties, provisions, and right of appeal as if the Charter had not been granted, and the provisions of sections 247 and 250 of "The Public Health Act, 1875," as amended by "The District Auditors Act, 1879," and any regulations duly issued by the Local Government Board with respect to the audit of accounts of Local Boards or Urban District Councils, and of their officers, shall apply to such audit, and the provisions of this Scheme with respect to the District Council shall be construed so as to admit of such exceptions as may be necessary to enable such audit to be duly made, but such exceptions shall be strictly limited in time, extent, character, and operation to the purposes of such audit; any money certified to be due from any person by the District Auditor at such audit shall be paid by such person to the Treasurer of the borough.

The Accounts of the Nuneaton Burial Board and the Attleborough Burial Board respectively, and of their respective officers, shall be (as soon as conveniently may be) audited by the duly appointed Auditors of the said Boards, and any money certified to be due from any person by the said Auditors at such audit shall be forthwith paid by such person to the Treasurer of the borough.
