

15. To vary or extinguish all rights and privileges inconsistent with or which would or might in any way interfere with the purposes of the Bill, and to confer other rights and privileges.

Plans and sections showing the lines, situations and levels of the railways proposed to be authorized by the Bill and the lands and other property in or through which the same will be made or pass, together with a book of reference to such plans containing the names of the owners and lessees or reputed owners and lessees and of the occupiers of such lands and other property, together with in the case of each deposit a copy of this Notice as published in the London Gazette, will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the West Riding of the county of York at his office at Wakefield, and on or before the same day copies of so much of the said plans, sections and book of reference as relates to each of the areas hereinafter mentioned in or through which the railways to be authorized by the Bill will be made or in which any lands or other property intended to be taken or used compulsorily under the powers of the Bill are situate, together with a copy of this Notice, will be deposited for public inspection as follows (that is to say):—

In the case of the urban district of Wath-upon-Dearne with the Clerk of the District Council for such urban district at his office, and

In the case of the parish or township of Brodsworth with Pigburn and Scausby, in the rural district of Doncaster, with the Clerk of the District Council for the rural district of Doncaster at his office, and with the Clerk of the Parish Council of the parish or township of Brodsworth with Pigburn and Scausby at his office, or if he has no office, at his residence, or if there is no clerk to such Parish Council with the Chairman of such Council at his residence.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 19th day of November, 1907.

J. S. MOSS-BLUNDELL, Hull, Solicitor
for the Bill.

REES and FRERES, 5, Victoria-street,
Westminster, Parliamentary Agents.

In Parliament.—Session 1908.

EAST METROPOLITAN POWER GAS SUPPLY.

(Power to British Coalite Company Limited to Construct Gasworks, &c., at Barking and Supply Power Gas for Power, Heating, &c., in West Ham, East Ham, Barking Town and North Woolwich; Power to Break up Streets, &c.; Lay Pipes, &c.; Purchase Lands and Exercise other Powers; Provisions as to Testing, Inspection, Entry on Premises, Prevention of Waste, &c., and for Protection of Plant, &c., and as to Obligations of Company in regard to Supply of Gas, &c.; Bye-laws; Rates and Charges; Rebates; Agreements with and Powers to Local Authorities, Com-

panies and other Bodies; Incorporation and Amendment of Acts, &c.)

NOTICE is hereby given, that an application is intended to be made to Parliament in the ensuing Session by the British Coalite Company Limited (hereinafter called "the Company") for an Act for effecting all or some of the purposes following (that is to say):—

To authorize the Company upon their lands and premises in the parish of Barking, in the urban district of Barking Town, in the county of Essex, hereinafter mentioned (that is to say):—

The portions of the properties numbered on the Ordnance Map (scale 1:25,000 edition of 1894-96) 191, 182, 183 and 178 in the said parish which are bounded to the westward by the westernmost boundary of the said first-mentioned property to the southward and south-eastward by high water mark of ordinary spring tides of the River Thames to the north-eastward by a line drawn at right angles to such high water mark in a north-westerly direction from the point situate 670 yards, or thereabouts, measured in an easterly direction along the said high water mark from the westernmost boundary of the property numbered 191 on the said map and on the north-west by a line drawn parallel to and at a distance of 170 yards, or thereabouts, northward of the said high water mark

or any part of such lands and premises to maintain, enlarge, alter and use the buildings and works erected or which may be erected thereon and to construct, maintain, alter and use on such lands any other buildings and works for the purpose of manufacturing, procuring, storing and distributing power gas as hereinafter defined and for the manufacture, procuring, storage, conversion, utilization and distribution of any materials or residual products arising from or used in the process of the manufacture of such power gas.

To authorize the Company to manufacture, procure, store, distribute, sell and supply within the boroughs of West Ham and East Ham and the urban district of Barking Town, all in the county of Essex, and within so much of the metropolitan borough of Woolwich, in the county of London, as is situate on the north side of the River Thames (all of which are hereinafter referred to as "the area of supply") gas for motive or other power heating or such other purposes (except illumination) to which gas can be applied as may be defined in the intended Act (in this Notice referred to as "Power Gas") and to procure, convert and store within the area of supply and to deal in and supply such materials and residual products as aforesaid and to manufacture, supply or let on hire machinery and apparatus of any description for or in connection with the aforesaid objects or any of them.

To empower the Company within the area of supply to purchase and dispose of lands or interests or easements in or over lands and to erect, maintain, manufacture, repair, work, use, produce, store, supply, sell and let stations, storehouses, buildings, engines, machinery, vessels, producers, retorts, works, plant, stock, meters, fittings and apparatus and to exercise such powers and do such work and to supply such materials as may be necessary or convenient in and for the production, storage, transmission, conveyance, measurement, distribution and sup-
