To empower the Council and any other body, company, or person to enter into and carry into effect agreements and arrangements with respect to the intended tolls, rates, and charges, and the collection, recovery, and payment thereof, and to compound for the payment thereof, and to confirm and give effect to any such agreements which may have been or may be entered into, and to authorize the Council to make or allow abatements or reductions from tolls, rates, and charges.

To apply to and with respect to the provisions of the intended Act, and any by-laws made thereunder, all or any of the provisions of the Act of 1904, relating to tolls, rates, and charges, and the collection and recovery thereof, and to extend, restrict, or otherwise alter to such extent (if any) as may be defined in the Bill, the said last mentioned provisions, or any of them, and to make further or other provisions with respect to the subject matter thereof.
