PRESENT,

The KING's Most Excellent Majesty.

Lord President.  
Lord Steward.  
Sir Henry Fowler.  
Mr. Asquith.

WHEREAS by the Medical Act, 1886, it is provided (amongst other things) that His Majesty may from time to time, by Order in Council, declare that the Second Part of the said Act shall be deemed, on and after a day to be named in such Order, to apply to any British Possession which in His Majesty's opinion affords to the medical practitioners of the United Kingdom such privileges of practising in the said British Possession as to His Majesty may seem just, and from and after the day named in such Order in Council such British Possession shall be deemed to be a British Possession to which the said Act applies, within the meaning of the Second Part thereof, and that until such Order in Council has been made in respect of any British Possession the said Second Part of the said Act shall not be deemed to apply to any such Possession.

And whereas by the Medical Act (1886) Amendment Act, 1905, it is provided that for the purposes of the Medical Act, 1886, where any part of a British Possession is under a central and also under a local legislature, His Majesty may, if he thinks fit, by Order in Council, declare that the part which is under the local legislature shall be deemed a separate British Possession.

And whereas the Province of Quebec, in the Dominion of Canada, is under a local legislature, and affords, in His Majesty's opinion, to the registered medical practitioners of the United Kingdom such privileges of practising in Quebec as to His Majesty seems just.

Now, therefore, His Majesty doth hereby, by and with the advice of His Privy Council, order, direct, and declare that the Province of Quebec shall be deemed to be a separate British Possession, and that the Second Part of the Medical Act, 1886, shall be deemed to apply to the said Province of Quebec.

Now therefore His Majesty, in pursuance and exercise of the powers in this behalf by the said Act of Parliament or otherwise in Him vested, is pleased by and with the advice of His Privy Council to order and it is hereby ordered as follows:—

1. The Wireless Telegraphy Act, 1904, shall apply to British Ships whilst on the high seas Provided that a person on board a British Ship which is registered in any British Possession (other than the Channel Islands and the Isle of Man) or in any British Protectorate shall not be deemed to commit an offence against the Wireless Telegraphy Act, 1904, by reason of the installation or working of wireless telegraphy on such ship if the authority in such Possession or Protectorate having power by law so to do shall have granted a licence for the installation and working of apparatus for wireless telegraphy on that ship and if such person is acting in accordance with the provisions of such licence.

2. The Interpretation Act, 1889, shall apply for the purpose of the interpretation of this Order as it applies for the purpose of the interpretation of an Act of Parliament.

3. This Order shall be published in the London Gazette and shall come into operation immediately from and after the expiration of three months after this Order is so published.
