"Loreburn C."

And whereas the said scheme hath been transmitted by the said Bishop to the said Archbishop for his consideration:

And whereas the said Archbishop, being satisfied with the said scheme, hath certified the same and the consents aforesaid to His Majesty in Council by his report dated the fourth day of March, one thousand nine hundred and eight which said report is in the words and figures following:—

"We the undersigned Randall Thomas Archbishop of the Province of Canterbury do hereby report to Your Majesty in Council:—

"That the Right Reverend Huyshe Lord Bishop of Worcester has represented unto us (amongst other things):

"That it appears to him the said Lord Bishop that under the provisions of the Pluralities Act 1838 (1) certain portions of the parishes of Saint Helen and Saint Alban, Worcester, the boundaries whereof are more particularly described in the first part of the schedule to the scheme hereunto annexed may be advantageously separated from the parishes to which they respectively belong and annexed to the contiguous parish of Saint Andrew, Worcester, for ecclesiastical purposes only, (2) a certain portion of the parish of Saint Helen, Worcester, the boundaries whereof are more particularly described in the second part of the schedule to the scheme hereunto annexed may be advantageously separated from the said parish of Saint Helen and annexed to the contiguous parish of Saint Swithin, Worcester for ecclesiastical purposes only, (3) a certain portion of the parish of Saint Michael in Bedwardine, Worcester, the boundaries whereof are more particularly described in the third part of the schedule to the scheme hereunto annexed may be advantageously separated from the said parish of Saint Michael in Bedwardine and annexed to the contiguous parish of Saint Peter the Great, Worcester for ecclesiastical purposes only.

"That pursuant to the directions contained in the said Act the said Lord Bishop has drawn up a scheme in writing describing the mode in which it appears to him that the proposed alterations may best be effected and how the changes consequent on such alterations in respect to
