

Statute, the words "having passed all the examinations required by the University for the degree of Bachelor of Arts and" should be omitted.

And whereas at a general meeting of the Governing Body of our said College specially summoned for that purpose and held on the fourth day of July, one thousand nine hundred and eight, it was unanimously resolved as follows, namely:—

1. That the words "by a Board of Electors consisting of the Warden, four Fellows of the College appointed for a term of five years by the Warden and Fellows, Bodley's Librarian for the time being, and three Members of Convocation appointed for a term of five years by the Hebdomadal Council of the University. Elections to these Fellowships may be held" contained in the first paragraph of such clause between the words "awarded" and "after" and the word "electors" also contained in the first paragraph of such clause between the words "the" and "shall" be respectively omitted therefrom.

2. That the words "Warden and Fellows" be inserted in the first paragraph of such clause in the place of the word "electors" so to be omitted therefrom, and that the words "Before proceeding to an election the Warden and Fellows shall communicate their intention to the Hebdomadal Council, and shall consider any representation which the Council may make upon the subject" be inserted immediately after the words "casting vote" at the end of the first paragraph of such clause.

And whereas the aforesaid Statute III, Clause 7, as so altered by your Petitioners (if and when the same shall be approved and confirmed by the King's Most Excellent Majesty in Council), will thenceforth read as follows, namely:—

"7. Seven other Fellowships shall be awarded after examination or without examination as the Warden and Fellows shall from time to time determine, but subject to the following conditions of eligibility (that is to say):—

"Any person may be elected who being in the judgment of the electors qualified by character and attainments to be a Fellow of the College, undertakes to prosecute in the College or the University, or under the direction of the College or the University elsewhere, some definite literary or scientific work which shall be specified in the Resolution by which he is elected. The right to elect shall be vested in the electors present at the election, and that person shall be elected for whom the greatest number of those present shall have voted. In case of an equality of votes the Warden, if present, shall have a casting vote. Before proceeding to an election, the Warden and Fellows shall communicate their intention to the Hebdomadal Council, and shall consider any representation which the Council may make upon the subject.

"Not more than one of those Fellowships shall be filled up in any year. If in any year there be no person whom the electors shall judge qualified for the election, the Fellowship shall be suspended, and the emoluments of it shall fall into the Corporate Revenues of the College. A Fellow elected under this clause may be re-elected in like manner and under like conditions from time to time."

Now, we, the said Warden and College, in pursuance of the provisions of the said Universities of Oxford and Cambridge Act, 1877, do hereby submit the aforesaid alterations so made

by us in the Statutes governing our said College to the King's Most Excellent Majesty in Council, and humbly pray that the same may be approved and confirmed.

In witness whereof we have hereunto set our common seal this eleventh day of July, in the year one thousand nine hundred and eight.

The common seal of the above named Warden and College was hereunto affixed in the presence of

WILLIAM REYNELL ANSON,
