EXPLOSIVES ACT, 1875.

(38 Vic., cap. 17.)

CARDIFF.

Order of Secretary of State making Bye-laws as to the conveyance of Explosives within the jurisdiction of the Lord Mayor and Corporation of the city of Cardiff.

Whereas by Part I (section 37) of the Explosives Act, 1875, it is provided that the Secretary of State may from time to time make bye-laws for regulating the conveyance of gunpowder in any case in which bye-laws made under any other provision of the Act do not apply:—

And whereas by Part II (section 39) of the Act, it is declared that, subject to the provisions subsequently in Part II of the Act contained, Part I of the Act relating to gunpowder shall apply to every other description of explosive in like manner as if the provisions of Part I were re-enacted in Part II with the substitution of that description of explosive for gunpowder:

And whereas it has been represented to the Secretary of State that some special bye-laws are required for the regulation of the conveyance of explosives in the city and borough of Cardiff:

Now, therefore, I, one of His Majesty's Principal Secretaries of State, hereby order that the following bye-laws shall be observed with respect to the conveyance of gunpowder and other explosives within the jurisdiction of the Lord Mayor and Corporation of the said city of Cardiff:

BYE-LAWS.

1. A person shall not convey, or cause to be conveyed, gunpowder or any explosives on any road within the city of Cardiff, unless he has given at least eight hours notice in writing of such conveyance to the Officer duly appointed under the Act for the said city. Such notice shall state the name and quantity of the explosives which are proposed to be conveyed, and the name and address of the owner thereof.

Provided that this bye-law shall not apply to quantities of gunpowder or small-arm nitro-compound not exceeding 200 lbs. in weight; or to safety cartridges and other explosives of Class VI, Division I; or to manufactured fire-works.

Provided also that, if in the opinion of the said Officer, the time of notice may in case of emergency and with due regard to the public be safely reduced, he may at his discretion grant a reduction of such time to not less than four hours.

2. All carriages, harness and the animals attached thereto, used for the conveyance of explosives in the city of Cardiff, shall be in good condition, and sufficiently strong and capable of drawing and bearing the loads they are intended to convey.
