Civil Service Commission,

December 8, 1908.

The Civil Service Commissioners hereby give notice that the following Regulations have been approved by the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS respecting Boy Clerks registered for Temporary Employment in Public Departments.

1. Two Registers of Boy Clerks for temporary employment in Public Departments will be kept by the Civil Service Commissioners.*

2. These Registers will contain the names of boys who, being either natural-born or naturalized British subjects, are certified by the Civil Service Commissioners to be of good health and character, and duly qualified under the following regulations (3 and 4). One Register will contain the names of boys for service in London, Edinburgh, and provincial towns of England, Scotland, and Wales. The other will contain the names of boys for service in Dublin and provincial towns in Ireland.

3. The limits of age are 15 to 16. If an examination begins in one of the first four months of any year candidates must be of the prescribed age on the first day of January in that year. If an examination begins in one of the second four months of any year candidates must be of the prescribed age on the first day of May in that year. If an examination begins in one of the last four months of any year candidates must be of the prescribed age on the first day of September in that year.

4. The subjects for examination are :—

1. Handwriting and Orthography.
2. Arithmetic, including Vulgar and Decimal Fractions.

3. English Composition.

4. Copying Manuscript.

And any three of the following, except that not more than two languages may be taken :—

5. Geography.

6. English History.

7. Latin.

8. French.

9. German.

10. Mathematics.

11. Elementary Science.

No candidate will be regarded as qualified who fails to obtain such an aggregate number of marks as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

5. Open Competitive Examinations for the purpose of testing the qualifications of Candidates in the above-mentioned subjects will be held by the Civil Service Commissioners from time to time as may be necessary, and a certain number, regulated by the probable demand from the Public Departments, of those who show sufficient proficiency will be placed upon the Registers kept by the Commissioners, and will be available for employment as their services are

required. The competitions for the Irish service will, as a rule, be held at the same time as the competitions for service in Great Britain, and the list of successful candidates for Ireland will be separate from that of the successful candidates for service in Great Britain. Candidates can enter for both competitions, when they are held simultaneously, paying only one fee. If successful in both they will be entered on the Register for Great Britain only, or on that for Ireland only, or on both Registers according to their choice.

6. The fee payable for attending an examination will be 5s.

7. Boy Clerks placed on these Registers will be summoned for employment in any of the Public Departments as they are wanted. When not wanted, they will have no claim to employment. Refusing to serve when called upon, except for reasons satisfactory to the Civil Service Commissioners, they will be removed from the Registers. The order in which they may be employed, the Departments to which they may be assigned, and their retention generally on the Registers, will be determined by the Civil Service Commissioners; but they will be subject to the orders of the Departments in which they are serving during the time of their actual employment, and will be liable to dismissal from them by the authorities thereof, without notice, for inefficiency or misconduct.

Boy Clerks resigning, or procuring their own discharges from Departments, except for sufficient reasons proved to the satisfaction of the Civil Service Commissioners, will be removed from the Registers.

Their assignment for service will, as a general rule, be according to their order of merit in the examination; but exceptions to this general rule may be made when the engagement offered is very short, or for other sufficient reasons.

8. Boy Clerks will usually be engaged and paid by the week of 39 hours, viz. :—7 hours a day on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays, and 4 hours on Saturdays; and they will be paid 15s. per week during the first year of their service. After a year of approved service, an increase of pay to 16s. a week may be allowed.

In any case of absence without pay a Boy Clerk's increment shall be postponed one day for every day of such absence—absence without pay equally with the interval between two successive engagements not being reckoned as service for any purpose contemplated by the Regulations.

Boy Clerks may also be engaged and paid by the hour at the rate of 4½d. per hour during their first year of service; and at the rate of 5d. per hour thereafter. Any who may be engaged by the week and who may be required to attend for more than 7½ hours on Monday, Tuesday, Wednesday, Thursday, or Friday, or more than 4½ hours on Saturday, will be paid at the hourly rate for such overtime attendance. But in no case must overtime attendance exceed 6 hours in any one week. They may also be paid by the piece at such rates as may be fixed by the Civil Service Commissioners, with the approval of the Lords Commissioners of the Treasury.

9. No service in the capacity of Boy Clerk will confer any claim to superannuation or compensation allowance; and Boy Clerks will not be retained, as such, after they shall have reached the age of 18*; subject to the following provisos:

* Boy Clerks, who entered the service by competitions earlier than May, 1906, will remain registered as heretofore on a single Register for Great Britain and Ireland.

* Boy Clerks who have entered or may enter the service on the results of the competition of September 22, 1908, or any previous competition, may be, as hitherto, retained on the Register up to the age of twenty.1

(1) Boy Clerks who have had no opportunity of entering a Competition for Assistant Clerkships after reaching the age of 17½, may be retained until the next Competition takes place and the result is announced. (2) Boy Clerks who reach the age of 18 after entering a Competition for Assistant Clerkships may be retained until the result is announced. (3) A Boy Clerk who has been declared successful in a Competition for Assistant Clerkships may be retained as a Boy Clerk until he is assigned to a vacant post as Assistant Clerk, unless he be rejected by the Civil Service Commissioners as not duly qualified in respect of age, health, or character for the permanent situation.

10. If a public holiday, on which the office is closed, fall within the period of a Boy Clerk's engagement, he may be paid in respect of it as for a working day. Boy Clerks may, with the consent of the Department in which they are serving, or if not at the time serving, with the consent of the Civil Service Commissioners, be allowed holidays, with pay at the rate for the official day in the proportion of one day for every 24 full days of actual and approved service previously rendered by them as Boy Clerks. But no Boy Clerk shall be allowed to take more than 12 days' leave under these conditions, between the 1st day of January and the 31st day of December, both days inclusive, in any one year, and in calculating the leave to be allowed in any given year, no service rendered before the 1st day of January of the preceding year shall be counted.

Holiday pay can only be allowed for holidays actually taken, not for days on which the Boy Clerk is drawing pay in respect of employment in any capacity in the Public Service.

11. Boy Clerks who may fall ill while serving in any Department, and whose illness may be attested by medical certificate to the satisfaction of the authorities of such Department, may be allowed sick-leave, receiving three-fourths of the rate of pay for the official day; provided that no Boy Clerk shall be paid for holidays and sick-leave, taken together, for more than 28 days within any one year, exclusive of public holidays.

12. Except in conformity with Regulations 10, 11, 14, and 15, Boy Clerks will only receive pay for the hours, or parts of hours, during which they actually attend.

13. No person who has been trained, either wholly or partially, at the public expense, for the occupation of a teacher in schools in connexion with the Board of Education in England, the Committee of Council on Education for Scotland, or the Commissioners of National Education, Ireland, is eligible for employment as a Boy Clerk, until the consent of those Departments, given in conformity with rules sanctioned by the Lords of the Treasury, has been notified to the Civil Service Commissioners.

14. If any case of infectious disease should occur in the house where a Boy Clerk is living, he must immediately report the fact to the Officer under whom he is employed, and must, if required, at once discontinue his attendance. In cases of such enforced absence from his employment, it is in the discretion of the Head of the Department in which he has been serving to allow the Boy Clerk full pay at the usual rate for the period for which it is medically certified that his attendance at the office would be likely to be dangerous to his colleagues.

15. In any year in which an open Competition for situations as Assistant Clerk (Abstractor Class) in the Civil Service or for Clerkships of the Second Division is held, a Boy Clerk who

obtains from the Head of the Department in which he is serving leave of absence to attend such Examination may also, at the discretion of the Head of the Department, be allowed pay, at the usual rate, for the days during which he is attending the Examination.

16. Service Marks for each full period of three calendar months of actual approved service in the capacity of Boy Clerk, subject to a maximum of eight such periods,* will be allowed to Candidates attending Examinations for the following situations, viz. :—

Clerkships in the Second Division of the Civil Service,

Second Class Clerkships (Lower Section) for Port Service in the Department of His Majesty's Customs,

Assistantships of Customs and Excise, who are serving or have served as Boy Clerks; but the number of marks to be allowed for each period may be different at successive examinations.

17. In the promotions of permanent Civil Servants [Assistant Clerks (Abstractor Class) and others] under Clause 15 of the Order in Council of 29th November, 1898, not less than one and not more than two years' approved service as Boy Clerk or Boy Copyist may be allowed to reckon towards the six years' established service required by the said clause.

The Civil Service Commissioners further give notice that an Open Competitive Examination of Candidates for registration as Temporary Boy Clerks will be held, under the foregoing Regulations, in London, Edinburgh, Dublin, Birmingham, Bristol, Leeds, Liverpool, Newcastle-on-Tyne, Southampton, Aberdeen, Glasgow, Belfast, and Cork, commencing on the 26th January, 1909.

The number to be registered will depend partly on the requirements of the service, and partly on the number of Candidates who may show sufficient proficiency; but it is not likely to be less than 100, if so many shall be found competent: that is to say, 90 for service in London, Edinburgh, and provincial towns in England, Scotland, and Wales, and 10 for service in Dublin and provincial towns of Ireland exclusively.

No Candidate will be admitted to the Examination from whom the Secretary, Civil Service Commission, has not received, on or before the 7th January, 1909, an application, on a prescribed form, which may be obtained from the Secretary at once.

Certificate and Report by Company's Auditors.

C. EMMOTT, Chairman.
A. GEMMELL, Secretary.

We have audited the above Balance Sheet with the books and vouchers of the Company and have to report thereon as follows :—
The interest paid on Debenture Stock and Shares to 31st December, 1906, has been transferred from Capital Expenditure on Works, &c., and with the interest on Shares paid since is shown separately on the Balance Sheet.
Interest at the rate of 3 per cent. per annum has been paid to 30th June, 1907, on 44,362 shares of £10 each, and to 15th December, 1905, on 70 shares of £10 each, of the issued Share Capital.
No provision has been made for depreciation.
Subject to these observations the Balance Sheet is, in our opinion, correctly drawn up so as to exhibit a true and correct view of the state of the Company's affairs as shown by the books.

THE CLEVELAND AND DURHAM COUNTY
ELECTRIC POWER COMPANY—*continued.*

Certificate of Board of Trade Auditors for the year
ending 31st December, 1907.

We have examined the foregoing accounts with the books and vouchers of the Company, and have the following remarks to make thereon:—

1. The accounts for the past year have been dealt with on exactly the same basis as the previous year, in terms of the Agreement of 19th December, 1906, with the Cleveland and Durham Electric Power Limited, short particulars of which were set out in the certificate on last year's accounts.

2. Attention was drawn last year to an item of £7,320 paid to Willans and Robinson Limited in excess of the amount due to them as a result of an over-estimate of the work actually done at the time when the Limited Company took over the liabilities of the Parliamentary Company. Of this £4,820 has been credited in this year's accounts, and as soon as a certain set of machinery is satisfactory the remaining £2,500 will be credited.

3. The item on the balance sheet of Sundry Electric Lighting Orders, £19,298 5s. 11d., includes the capital expenditure in connection with the Hartlepool Electric Lighting Order amounting to £13,341 12s. 9d., the transfer of which was not officially completed as at 31st December, 1907, but which has subsequently received the approval of the Board of Trade. The remaining £5,956 13s. 2d. represents the expenditure by the Company on the following Electric Lighting Orders, under which no consumers had been supplied during the year—
