

shall not drive a motor car at a speed exceeding ten miles per hour :

And whereas the County Council of Middlesex have made application to the Local Government Board for a regulation to be made in pursuance of the said sub-section putting the above-mentioned provisions of that sub-section in force within the limits comprising Waldegrave-road, in the urban district of Teddington, extending from its junction with High-street to the boundary of the urban district :

And whereas notice of the said application and of the time and manner in which objections should be made to any such regulation appeared in the London Gazette of the 10th day of July, 1908, and in the "Surrey Comet" and the "West Middlesex Times" of the 18th day of July, 1908 :

And whereas certain objections to the making of any regulation in pursuance of the said provisions have been received by the Local Government Board, and it is expedient that further inquiry should be made in the matter of the said application :

Notice is hereby given that F. J. Willis, Esquire, Barrister-at-law, one of the Inspectors of the Local Government Board, will attend at the Council Chamber of the District Council Offices, Teddington, on Monday, the 4th day of October, 1909, at eleven o'clock in the forenoon, to hold a Local Inquiry into the subject-matter of the said application :

And notice is hereby further given that any person interested may attend at such Inquiry, and be heard with reference to the said application.

As witness my hand this twenty-first day of September, 1909, at the Office of the Local Government Board, Whitehall, London.

John Lithiby, Assistant-Secretary.

ORDER OF THE REGISTRAR-GENERAL IN ENGLAND.

(Dated 23rd September, 1909.)

Whereas by the 21st section of the Births and Deaths Registration Act, 1874, it is enacted that the Registrar-General, with the sanction of the Local Government Board, may from time to time alter Registration Sub-districts :—

1. And whereas it is expedient in order that the two Sub-districts of Plympton St. Mary Registration District may be made respectively co-extensive with the Relief Districts of the Poor Law Union of the same name, that the entire Civil Parish of Harford and the part of the Civil Parish of Ivybridge now included in Plympton Sub-district of Plympton St. Mary Registration District should be transferred to Yealmpton Sub-district of the same Registration District ;

2. Now, therefore, I, Bernard Mallet, Registrar-General of Births, Deaths, and Marriages in England, in exercise of the powers given me by the above mentioned Act, and with the sanction

of the Local Government Board, do hereby order and declare that the foregoing alteration shall take effect accordingly.

3. This Order shall come into operation on the 1st day of October, nineteen hundred and nine.

Witness my hand this 23rd day of September, nineteen hundred and nine.

Bernard Mallet, Registrar-General.

General Register Office,
Somerset House, London.

MERSEY CONSERVANCY ACT

Mersey Conservancy,
66, Victoria-street, London, S.W.,

24th September, 1909.

I hereby give notice, pursuant to the 9th section of the Act 5 and 6 Victoria, cap. 110, intituled "An Act for better preserving the Navigation of the River Mersey," that I have received a notice from Messrs. Joseph Crosfield and Sons Limited, given pursuant to the provisions of the above mentioned Act, of their intention to lay a suction pipe on the foreshore of the River Mersey at their Oil Works, on the Cheshire side of the river at Warrington, in accordance with a plan and section deposited at this office, a copy of which notice is subjoined.

G. S. Nares, Vice-Admiral,

Acting Conservator of the Mersey.

To Vice-Admiral Sir G. S. Nares, K.C.B., F.R.S.,
Acting Conservator of the Mersey

In pursuance of an Act for better preserving the navigation of the River Mersey (5 and 6 Vic., cap. 110), we, Joseph Crosfield and Sons Limited, Bank Quay, Warrington, Soap and Chemical Manufacturers, hereby give you notice that we propose to construct at Walton, near Warrington, in accordance with plans and sections deposited at the office of the Mersey Conservancy, a pumping station and six-inch steel suction pipe, the latter to be laid on the foreshore of the river and extended about 8 or 9 feet to a point two feet below low water level.

The object is to deliver water at the Company's new Oil Works at Walton, and thence to return the same to the river.

There will be no interference with or interruption of the tidal or other waters of the River Mersey.

The work will be commenced immediately upon the sanction of the Conservancy having been attained thereto.

Dated this 20th day of August, 1909.

FOR JOSEPH CROSFIELD & SONS LIMITED.

H. ROBERTS, Director.
