10th November	An imported dog belonging to Mrs. C. O. B. Lamb.
11th November	Imported dogs belonging to (1) Hugh P. Nickalls; and (2) J. Olson.
12th November	Imported dogs belonging to L. R. W. Beavis.

Copies of these Orders may be obtained at 4, Whitehall Place, London, S.W.

**ORDER OF THE BOARD OF
AGRICULTURE AND FISHERIES.**

(DATED 12TH NOVEMBER 1909.)

CARLISLE (PARASITIC MANGE) ORDER OF 1909.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Definition of Parasitic Mange.

1. The expression "parasitic mange" in this Order means sarcoptic mange or psoroptic mange.

Separation of Diseased and Suspected Animals and Notice of Disease.

2.—(1.) Every person having in his possession or under his charge a horse, ass, or mule affected with or suspected of parasitic mange shall (a) as far as practicable keep that animal separate from animals not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse, ass, or mule being so affected or suspected to a constable of the police force for the police area in which the horse, ass, or mule so affected or suspected is.

(2.) The constable receiving such notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

Veterinary Inquiry by Local Authority as to existence of Parasitic Mange.

3.—(1.) The Local Authority on receiving information of the existence, or supposed existence, of parasitic mange shall forthwith cause inquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector.

(2.) The owner and occupier of any premises on which there is a horse, ass or mule affected with, or suspected of, parasitic mange, shall give all reasonable facilities for the inquiry by the Local Authority under this Article, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.

Detention of Animals.

4.—(1.) A Veterinary Inspector of the Local Authority may serve a Notice (in the Form A set forth in the Schedule to this Order, or to the like effect) on the occupier of any stable, shed, field or other premises in which there is a horse, ass, or mule, which in his opinion is affected with parasitic mange, and thereupon the following restrictions shall take effect:—

(i.) The horse, ass, or mule so affected shall not be moved out of the stable, shed, field or other premises specified in the Notice, except with the written authority, and under the supervision, of an Inspector of the Local Authority, and only to some other place of detention; and during the detention it shall from time to time, as often as may be necessary, be treated by the owner thereof with some dressing or other remedy for parasitic mange approved for that purpose by a Veterinary Inspector of the Local Authority;

(ii.) No other horse, ass, or mule shall be moved out of the stable, shed, field, or other premises, unless on each occasion immediately before the movement it is treated with some dressing or other remedy for parasitic mange approved for that purpose by a Veterinary Inspector of the Local Authority.

(2.) A Notice under this Order shall remain in force until it is withdrawn by a Notice in writing served on the occupier of the premises by an Inspector of the Local Authority.

Regulations of Local Authority as to Cleansing and Disinfection.

5.—(1.) The Local Authority may, for the purpose of preventing the spreading of parasitic
