

a radius of one mile from the northern boundary of such area of supply.

To annul and cancel the memorandum and articles of agreement of the Limited Company and to make all usual and necessary provisions consequent thereon.

To provide for the vesting in the Company of all the undertaking, lands, gasworks, mains, pipes, meters and other real and personal property, rights, powers and authorities now vested in or belonging to or occupied or enjoyed by the Limited Company or held in trust for them, together with the benefit of all contracts and engagements entered into by or on behalf of the Limited Company, and to empower the Company to hold such lands and other property.

To make provision in regard to the capital and borrowing powers of the Company, to determine the amount of the capital of the Company and to provide for the apportionment among and vesting in shareholders in the Limited Company of such capital or part thereof, and for the creation of so much of such capital as may be necessary for that purpose; the raising of additional capital; the borrowing of money and issue of debenture stock, and other securities; the attaching to any such capital such preference or priority of capital, dividend or interest and such rights to dividend as the Bill may define; the regulation of the dividends payable by the Company upon the system known as the sliding scale or price and dividend, the creation of reserve and special purposes funds, transfer of shares and stock, and generally to make such provisions as may be deemed expedient or are usual and proper in regard to the regulation and management of the affairs of a company authorized to supply gas and electricity.

To make special provisions in relation to the disposal of new shares or stock by auction or tender and for the issue of shares or stock to the proprietors in the Company, to the consumers of gas or electricity supplied by the Company, and to persons in the employ of the Company, and to make all necessary provisions for or in connection with such matters.

To make provisions as to the meetings of the Company and otherwise for the regulation of the affairs of the Company.

To empower the Company to maintain, alter, improve, enlarge, extend and renew or discontinue the existing gasworks, retorts, gasometers, mains, pipes, meters, apparatus, machinery and other works of the Limited Company, and to erect, lay down, provide, maintain, alter, improve, enlarge, extend and renew or discontinue other gasworks, retorts, gasometers, mains, pipes, meters, apparatus, machinery and other works, and to do all such acts as they may think proper for making and storing gas and for supplying gas for any purposes within the limits of the intended Act, and to make, store and supply gas accordingly and to manufacture, convert, store, sell, provide, supply and deal in coke, patent fuel, tar, pitch, asphaltum, lime, ammoniacal oil, sulphate of ammonia, chemicals and all other products or residuum of gas or of any materials employed in or resulting from the manufacture of gas, and to carry on any business usually carried on by gas companies or which are or may be incidental thereto or carried on therewith.

To authorize the Company to generate, store, distribute, sell and supply electrical energy for all public and private purposes within the area of supply as above defined and upon the existing

gasworks of the Limited Company (as defined by the Havant Gas Order, 1879) and the lands above described as a proposed extension of the said gasworks, to erect, maintain, work and use a station for producing or generating, transforming, storing and distributing electricity with all suitable or necessary dynamos, batteries, accumulators, engines, plant, machinery, works and apparatus connected therewith.

The names of the streets in which it is proposed that electric lines shall be laid down within a period to be specified by the Bill are as follows:—

New Lane, Eastern-road, North-street, South-street, East-street and West-street.

To empower the Company to purchase by compulsion or agreement the lands shown on the deposited plans and described in the deposited book of reference hereinafter referred to.

To empower the Company to purchase, take on lease or otherwise acquire and to hold such additional lands and hereditaments as they may require for the purposes of their undertaking, and to sell, let or dispose of any lands and hereditaments not required for the purposes aforesaid and to empower the Company to erect, fit up, maintain and let dwelling-houses for persons in their employ.

To empower the Company to provide, sell and let on hire and fix engines, dynamos, motors, stoves, ranges, pipes, fittings, gas and electrical apparatus and appliances for lighting, heating, cooking, motive power and all other purposes whatsoever, and to exclude the same from liability to distress or to be taken in execution or in proceedings in bankruptcy.

To authorize the Company to construct and maintain and use mains, pipes, cables, wires and other works, and for that purpose and for the general purposes of the intended Act, to cross, open, break up, divert, stop up or otherwise interfere with streets (whether dedicated to the public or not), roads, highways, public places, bridges, canals, towing paths, rivers, streams, brooks, watercourses, railways, tramways, footways, lands, sewers, drains, pipes and other works, to lay down pipes in highways and elsewhere for disposing of oil and liquids and for other ancillary purposes, and to lay down, maintain and remove mains, pipes, cables and wires in streets or roads not dedicated to public use.

To make provision in regard to the supply and consumption of gas and electricity and in regard to matters incidental to the objects of the intended Act, including the following:—The price, pressure, quality and testing of gas, the use of anti-fluctuators, the exemption of the Company from penalties in certain cases and from liability to supply any person in debt to them, the giving of notices by consumers of their intention to disconnect meters or discontinue the supply, making provision with regard to defective meters, the allowance of discounts or rebates to consumers and persons using meters, fittings, stoves, ranges, engines, machinery, apparatus, appliances, pipes, lamps, burners, articles and things let on hire by the Company and the payment of interest on money deposited as security.

To empower the Company to undertake the free wiring of houses for electric lighting or other purposes and the provision of free gas fittings and to make such increase in the charges for electricity or gas consumed thereby as may be prescribed by the Bill.
