To Vice-Admiral Sir G. S. Nares, K.C.B., F.R.S.,  
Acting Conservator of the Mersey.

In pursuance of an Act for better preserving the Navigation of the River Mersey (5 and 6 Vic., cap. 110), we, Lever Brothers Limited, Soap Manufacturers, of Port Sunlight, Cheshire, hereby give you notice that we propose to divert a certain length of Bromborough Pool, filling in the old channel and dredging new; also to construct river wharf walls at the mouth of old creek, forming open lay-bye, which work is in the townships of Lower Bebington and Bromborough, in accordance with plans and sections deposited at the Office of the Mersey Conservancy.

The proposed works will admit of additional tidal waters at present running into Bromborough Pool.

The object of the work is for the purpose of Works development.

We are the owners of both banks affected by the alteration, which latter will tend to a quicker running of the stream.

It is proposed to commence this work shortly after the date of permission being granted.
