

Movement) Order of 1908 shall not apply to the movement of swine from the sale mentioned in the Schedule hereto to any premises in Great Britain not being in a swine-fever infected place, if the swine are accompanied by a licence in the Form F set forth in the First Schedule to the said Order granted by an Inspector of the Local Authority of the District in which the place of destination is situate and subject to the following conditions:—

- (i.) The swine shall be moved to the place of destination specified in the licence and not elsewhere and shall be there detained and isolated from other swine for twenty-eight days, unless they are slaughtered on such premises before the expiration of that period.
- (ii.) The swine shall be moved by the nearest available route and without unnecessary delay, and during the movement shall, so far as is practicable, be kept separate from all swine not being moved with a licence under this Order.
- (iii.) After completion of the movement the licence shall forthwith be delivered up at, or sent by post to, the nearest police-station in the same District by the person in charge of the swine at the time of completing such movement.

In witness whereof the Board of Agriculture and Fisheries have hereunto set their Official Seal this twenty-second day of March, nineteen hundred and eleven.

L. S.

A. W. Anstruther,
Assistant Secretary.

SCHEDULE.

Sale of Pedigree pigs to be held on the premises of Messrs. Alfred Brown, Limited, at Hill Farm Dairy, Hill-lane, in the county borough of Southampton, on the 5th day of April, 1911.

Copies of the above Order can be obtained on application to the Secretary, Board of Agriculture and Fisheries, 4, Whitehall Place, London, S.W.

ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 22ND MARCH 1911.)

KINGSTON-UPON-HULL (PARASITIC MANGE)
ORDER OF 1911.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1910, and of every other power enab-

ling them in this behalf, do order, and it is hereby ordered, as follows:

Definition of Parasitic Mange.

1. The expression "parasitic mange" in this Order means sarcoptic mange or psoroptic mange.

Separation of Diseased and Suspected Animals and Notice of Disease.

2.—(1.) Every person having in his possession or under his charge a horse, ass or mule affected with or suspected of parasitic mange shall (a) as far as practicable keep that animal separate from horses, asses and mules not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse, ass or mule being so affected or suspected to a constable of the police force for the police area in which the horse, ass or mule so affected or suspected is.

(2.) The constable receiving such notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

Veterinary Inquiry by Local Authority as to existence of Parasitic Mange.

3.—(1.) The Local Authority on receiving information of the existence, or supposed existence, of parasitic mange shall forthwith cause inquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector.

(2.) The owner and occupier of any premises on which there is a horse, ass or mule affected with, or suspected of, parasitic mange, shall give all reasonable facilities for the inquiry by the Local Authority under this Article, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.

Detention of Animals.

4.—(1.) A Veterinary Inspector of the Local Authority may serve a Notice (in the Form A set forth in the Schedule to this Order, or to the like effect) on the occupier of any stable, shed, field or other premises in which there is a horse, ass or mule which in his opinion is affected with parasitic mange, and thereupon the following restrictions shall take effect:—

(i.) The horse, ass or mule so affected shall not be moved out of the stable, shed, field or other premises specified in the Notice, except with the written authority, and under the supervision, of an Inspector of the Local Authority, and only to some other place of detention; and during the detention it shall from time to time, as often as may be necessary, be treated by the owner thereof with some dressing or other remedy for parasitic mange approved for that purpose by a Veterinary Inspector of the Local Authority;

(ii.) No other horse, ass or mule shall be moved out of the stable, shed, field or other premises unless on each occasion immediately before the movement it is treated with some dressing or other remedy for parasitic
