THE PUBLIC HEALTH ACTS AMENDMENT ACT, 1907.

BOROUGH OF BEVERLEY.

NOTICE is hereby given that by an Order dated the 9th day of June, 1911, the Local Government Board have confirmed an Order made on the 10th day of April, 1911, by the Town Council of Beverley in pursuance of Section 112 of the Public Health Act, 1875, as amended by section 51 of the Public Health Acts Amendment Act, 1907, declaring each of the trades of Blood drier, Tanner, Leather dresser, Fat melter or Fat extractor, Glue maker, Size maker, and Gut scraper within the borough of Beverley to be an offensive trade.

Dated this 14th day of June, 1911.

J. WILLIS MILLS,

Town Clerk.

084

THE LEE CONSERVANCY BOARD.

Proposed Bye-laws for regulating the Conveyance, Loading, and Unloading of Petrol and Other Dangerous Goods upon the River Lee.

WHEREAS the Lee Conservancy caused the above-mentioned proposed Bye-laws to be published in the London Gazette of the 22nd April, 1910, and also caused to be inserted in the Times newspaper of the 23rd and 30th days of April, 1910, a statement drawing attention to the fact of the said publication in the London Gazette.

And whereas the said Lee Conservancy Board did during upwards of one month after such publication afford to all persons the opportunity of making in writing or otherwise objections to or representations respecting such proposed Bye-laws.

And whereas the said Lee Conservancy having taken into consideration all such objections and representations as were made to them concerning the same made alterations in and additions to such proposed Bye-laws which said Bye-laws as altered and added to are as follows:—

BYE-LAWS for Regulating the Conveyance, Loading, and Unloading of Petrol and Other Dangerous Goods upon the River Lee.

The Lee Conservancy Board in exercise of the powers and authority vested in them by "The Lee Conservancy Acts (1868 to 1900)" and "The Lee Navigation Improvement Acts" in those Acts referred to and of every other authority them hereunto in anywise enabling order and direct as follows that is to say:—

1. Bye-law Number 56 of The River Lee General Bye-laws made by the Board and allowed by His Majesty in Council on the 21st day of December 1908 shall as from the date when these present Bye-laws come into operation be and the same is hereby repealed.

2. These Bye-laws may be cited as "The River Lee Petrol and other Dangerous Goods Bye-laws" and shall come into operation at the expiration of fourteen days after the day upon which they have been allowed by His Majesty in Council.

3. In these Bye-laws the following words and expressions shall have the several meanings hereinafter assigned to them unless there be something in the subject or context repugnant to such construction viz.:—

"The Board" means the Lee Conservancy Board.

"The Navigation" means and includes all the navigable portions of the River Lee as that River is defined by the 3rd Section of "The Lee Conservancy Act 1868."

"Petrol" includes any rock oil Rangoon oil Burmah oil oil made from petroleum coal schist shale peat or other bituminous substance and any products of petroleum also naphtha wood spirit and any other liquid or substance or any product of or mixture or with any liquid or substance which when tested in the manner set forth in Schedule I. to the Petroleum Act 1879 or in the Schedule to the Order-in-Council as to mixtures of petroleum made on the 7th day of May 1907 gives off an inflammable vapour
