3. To empower the Corporation to divert, collect, impound, take, use and appropriate for the purposes of the intended Act or other the purposes of their water undertaking all such streams, springs and waters as can or may be intercepted or taken by the intended or authorized works or as may be found on, in or under any of the lands for the time being belonging to or which may be acquired by the Corporation or over or in respect of which they have or may acquire easements, and especially the Sladen Beck, New Dike, Rough Dike, Black Dike, Crumber Dike, South Dean Beck, Milk House Beck, Lumb Beck, Black Leech Water, Utlely Water, Clough Hole, and an unnamed stream 175 yards or thereabouts to the west of Springs Farm, and all tributaries of those rivers and becks, all of which rivers and becks now flow either directly or indirectly into the River Worth, the River Aire, the Leeds and Liverpool Canal, and the Aire and Calder navigation, or some of them.

4. To alter the provisions of the Act of 1869, the Keighley Corporation Act, 1891 (hereinafter called "the Act of 1891"), and the Act of 1898, with regard to the quantity of compensation water to be given down the Sladen Beck and River Worth, except so far as regards the new Ponden Reservoir authorized by the Keighley Waterworks and Improvement Act, 1872 (hereinafter called "the Act of 1872"), and to make provision with reference to the quantity or amount of compensation (in water or otherwise) to be given in respect of the proposed taking, impounding or diverting of water, and with reference to the time and manner of the delivery of any compensation water.

5. To authorize the Corporation in connection with the intended waterworks to lay down, maintain, alter and renew mains, pipes, culverts, discharge pipes, telephone or telegraph conductors, wires and posts, and other works in, through, along, under, across and over highways (whether dedicated to the public or not, and whether situate within or without the limits of the Corporation for the supply of water), streets, roads, streams, paths and railways, and for those purposes to extend to such works all or any of the provisions of the Waterworks Clauses Acts, 1847 and 1863.

6. To constitute the proposed works part of the water undertaking of the Corporation, and to extend and apply thereto all or some of the enactments relating to that undertaking, and to extend and apply all or some of the provisions of the intended Act to all or some of the existing works of the Corporation, and to extend and apply to the water undertaking of the Corporation all or some of the provisions of the Public Health Acts.

7. To empower the Corporation to purchase, and take by compulsion or agreement, and to hold lands for the purpose of protecting from pollution, contamination, fouling or discolouring the waters which may be stored in or taken through any of the works of the Corporation.

8. To empower the Corporation on the one hand and any local authority, company, or person on the other hand, to enter into and carry into effect agreements with reference to the drainage of any lands from or over which

any water taken by the Corporation flows, and for more effectually collecting, conveying, and preserving the purity of such water, and to authorize the Corporation to purchase lands and construct works for those purposes.

9. To empower the Corporation to make bye-laws and regulations for preventing the pollution, fouling, or contamination of any water authorized to be taken by them, and to extend, alter, or amend the existing powers of the Corporation in this matter.

10. To empower the Corporation to stop up and discontinue for public traffic so much of Waterhead-lane as lies between a point in the centre of that road 11 yards or thereabouts measured in a south-easterly direction from the gateway at the head of Waterhead Lane and a point 150 yards or thereabouts measured in a north-westerly direction from the centre of Smith Bank Bridge, and to authorize the Corporation to stop up or divert the footpaths included within the limits of deviation or limits of land to be acquired shown on the deposited plans hereinafter mentioned.

11. To empower the Corporation to discharge water from any of their existing or intended works into any rivers, streams, or watercourses on the line thereof, or near thereto, or with which such works may be made to communicate.

12. To authorize the Corporation to provide and maintain houses, cottages, and buildings for officers and servants connected with the water undertaking of the Corporation.

Street Work.

13. To authorize the Corporation to make the following street work in the borough:—

An alteration and improvement of Church-street, in the parish of Keighley, on the east side commencing at a point in Low-street 22 feet 6 inches or thereabouts east of the east side of Church-street, and terminating at a point 8 feet 6 inches or thereabouts, measured in an easterly direction from the east side of Church-street, adjoining the footpath near the Parish Church gates.

Works and Lands.

14. To empower the Corporation to deviate laterally and vertically from the lines and levels of the intended works shown on the deposited plans and sections hereinafter mentioned to the extent to be shown on the said plans and sections or to be defined in the intended Act.

15. To empower the Corporation, for the purpose of constructing the proposed works and for the purpose of providing frontage to Church-street as intended to be altered, and for other the purposes of the intended Act, to purchase or acquire by compulsion or agreement or to take on lease lands, houses, buildings and hereditaments in the borough and parish of Keighley, and in the parishes of Haworth, Stanbury and Oakworth, and to acquire by compulsion or agreement rights or easements in, over or connected with any lands, houses or buildings, and to confirm any agreements which may be made before the passing of the intended Act with regard to the purchase of lands and easements.

16. To make special provision with regard to the amount of compensation to be paid in respect of lands so to be acquired, and to provide that in determining the amount of such
