#### ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 22ND NOVEMBER 1911.)

#### PARASITIC MANGE ORDER OF 1911.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1911, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

##### *Definition of Parasitic Mange.*

1. The expression "parasitic mange" in this Order means sarcoptic mange or psoroptic mange in a horse, ass or mule.

##### *Separation of Diseased and Suspected Animals and Notice of Disease.*

2.—(1.) Every person having in his possession or under his charge a horse, ass or mule affected with or suspected of parasitic mange shall (a) as far as practicable keep that animal separate from horses, asses and mules not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse, ass or mule being so affected or suspected to a constable of the police force for the area wherein the horse, ass or mule so affected or suspected is, who shall forthwith give information of the receipt of the notice to an Inspector of the Local Authority.

(2.) In the administrative county of London (including the city of London) the notice may be given to an Inspector of the Local Authority.

(3.) An Inspector of the Local Authority who receives information of the existence or supposed existence of parasitic mango shall forthwith report the fact to the Local Authority.

##### *Notification of Disease by Veterinary Surgeons.*

3. The Animals (Notification of Disease) Order of 1910 shall be read and have effect as if parasitic mange were included in the list of diseases to which that Order applies, and as if notice of the existence or suspected existence of parasitic mange were required by that Order to be given by a Veterinary Surgeon or Veterinary Practitioner to an Inspector of the Local Authority.

##### *Veterinary Inquiry by Local Authority as to existence of Parasitic Mange.*

4.—(1.) The Local Authority on receiving information of the existence, or supposed existence, of parasitic mange shall forthwith cause inquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector.
