The Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated the 27th December, from His Majesty's Representative on the Constantinople Board of Health, stating that the following decisions were taken at a meeting of the Board held on that date:—

(1) To suppress the medical visit on arrivals from Antivari.

(2) Medical visit imposed on arrivals from all ports in the Yemen, and disinfection in addition on arrivals from Hodeidah and Djebane.

(3) Measures against arrivals from Malta reduced to a medical visit and disinfection at a lazaret.

*Board of Trade, 7, Whitehall Gardens,
London, S.W., January 8, 1912.*

For the purposes of the Electric Lighting Acts, 1882 to 1909, and all Provisional Orders and Licences made and issued thereunder, the Board of Trade approve of the construction and pattern of the meter (hereinafter described) for the measurement of electrical energy when supplied on the constant pressure single phase two-wire alternating current system, and known as the Chamberlain and Hookham Alternating Current Watt-Hour Meter, Type A.1.

Provided that the meter be constructed as described in the specification and drawings deposited at the Board of Trade, and dated and numbered 2nd January, 1912, and H.103, and be in accordance with the pattern meter No. 287008 deposited at the Board of Trade on the 14th December, 1911, by or on behalf of Chamberlain and Hookham, Limited, Solar Works, Birmingham, and sealed by the Board of Trade.

The Board of Trade further approve of the means provided for fixing meters of this description, and for connecting them with the service lines as described in the specification and drawings above referred to.

Signed by order of the Board of Trade this 8th day of January, 1912.

T. H. W. Pelham,

Assistant Secretary, Board of Trade.
