

5. Should a vessel sink or become a wreck in any part of the Dockyard Port, so that an obstruction in a navigable fairway is caused which, in the opinion of the King's Harbour Master, it is necessary to mark, such vessel or wreck will be indicated by the following marks or lights, exhibited from the wreck itself or from a wreck-marking craft.

By Day.—Three balls on a yard 20 feet above the sea, two placed vertically at one end and one at the other, the single ball being on the side nearer the wreck.

By Night.—Three white fixed lights similarly arranged, but not the ordinary riding lights.

If the obstruction is not considered by the King's Harbour Master of sufficient importance to be marked both by day and night, a green buoy only will be used, with the word "wreck" on it in white letters.

6. The speed of all merchant and private vessels inside the Admiralty Harbour is not to exceed six knots.

NOTE.—The master of every merchant or other private vessel to which the rules in this Schedule relate must observe and cause to be observed the provisions of these rules as far as they relate to his vessel, and any such master by his wilful default infringing or causing any infringement of any of the provisions of these rules is guilty of a misdemeanour.
