And whereas it is expedient that the establishment of the said Commissioners should be varied in manner hereinafter appearing:

And whereas it has been made to appear to His Majesty that the Board of Trade have consented to such variation of the establishment:

(1.) The maximum salary payable to the clerk whose salary was by the Schedule to the said Order in Council dated the 22nd day of April, 1910, fixed at £290, rising by annual increments of £15 to £350, shall from the date of this Order be £370 per annum.

(2.) The number of Lower Grade Clerks on the establishment of the Commissioners of Irish Lights and named in the Schedule to the said Order in Council dated the 22nd day of April, 1910, shall from the date of this Order be increased to four, and the increments of salary payable to such Lower Grade Clerks after the same date shall, in lieu of the increments specified in the said Schedule, be as follows, viz.: £7 10s. per annum until the salary reaches £125 per annum, and £10 per annum thereafter, until the maximum salary of £250 per annum has been reached, and Lower Grade Clerks appointed before the date of this Order shall receive the increments above mentioned from the date in each case at which the last annual increment became due in ordinary course; but the increase of such salaries shall be only granted on a certificate by the Commissioners of Irish Lights that the preceding period of the officer's service has been distinguished by zeal, industry and regularity.

And His Majesty, by virtue and in further exercise of the powers so vested in Him as aforesaid, and by and with the advice aforesaid, is further pleased to fix and doth hereby fix that the salaries payable under the provisions of this Order shall be paid out of the General Light-house Fund.
