

Learners commencing employment in the Tailoring trade at and over the age of 19 may serve a period of six months at 15s. 8d. per week and thereafter a period of six months at 19s. 10d. per week. They shall then receive such rates as their age may entitle them to under the foregoing provisions.

(2) The learners' rates are weekly rates based on a week of 50 hours, but they shall be subject to a proportionate deduction or increase according as the number of hours actually spent by the learner in the factory or workshop in any week is less or more than 50.

#### Section C.

The above rates shall apply to all male workers as specified above who are engaged during the whole or any part of their time in any branch of the Ready-made and Wholesale Bespoke Tailoring Trade which is engaged in making garments to be worn by male persons; but they shall not apply to any persons engaged merely as Clerks, Messengers, Stockroom Assistants, Warehouse Assistants, Salesmen, Travellers, Packers, Parcelers, Distributors, Mechanics, Engineers, Carpenters, Cleaners, and to others whose work stands in a relationship to the trade similar to that of the above excluded classes.

#### Section D.

A male learner is a worker who:

- (1.) Is employed during the whole or a substantial part of his time in learning any branch or process of the trade by an employer who provides the learner with reasonable facilities for such learning.
- and (2.) Has received a certificate or certified copy certificate issued in accordance with rules from time to time laid down by the Trade Board and held subject to compliance with the conditions contained in this Section, or has made an application therefor which has been duly acknowledged and is still under consideration. The Trade Board may, if any condition contained in this Section is not in fact complied with, cancel the original certificate, whereupon any copy thereof shall become cancelled. Notice of such cancellation shall forthwith be given to the learner and his employer.
- Provided that an employer may employ a male learner on his first employment in the branch or branches of the trade as above described, without a certificate for a probation period not exceeding four weeks, but in the event of such learner being continued thereafter at his employment the probation period shall be included in his period of learnership.

Provided that notwithstanding compliance with the conditions contained in this Section a person shall not be deemed to be a learner if he works in a room used for dwelling purposes and is not in the employment of his parent or guardian.

In totalling up any reckonings, in the aggregate arrived at when paying the rates fixed hereunder, every fraction of a farthing shall count as a farthing.

The expression HOMEWORKER shall be held to mean a worker who works in his or her own home or in any other place not under the control or management of the employer.
