

11th day of June, in the year 1914, in the words and figures following, that is to say:—

“ We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 3rd and 4th years of Her late Majesty Queen Victoria, chapter 113, of the Act of the 6th and 7th years of Her said late Majesty, chapter 37, and of the Act of the 19th and 20th years of Her said late Majesty, chapter 104, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the parish of West Tarring, in the county of Sussex, and in the diocese of Chichester.

“ Whereas we are satisfied that the said parish of West Tarring is a cure wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, and it has been made to appear to us that it would promote the interests of religion that the particular part of the said parish of West Tarring which is hereinafter mentioned and described should be constituted a separate district, in the manner which is hereinafter set forth.

“ And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purpose of divine worship.

“ And whereas by a certain indenture, bearing date on or about the 8th day of June, in the year 1914, and made, or expressed to be made, under the authority of the ‘ New Parishes Acts, 1843, 1844 and 1856,’ or some or one of them, between the President and Scholars of the College of Saint Mary Magdalen, in the University of Oxford, of the one part, and us, the said Ecclesiastical Commissioners, of the other part (which indenture is intended to be enrolled in the Chancery Division of the High Court of Justice) the said President and Scholars of the College of Saint Mary Magdalen grant and convey unto the Minister of the district hereinafter recommended to be constituted, so soon as a Minister shall have been appointed, and to his successors, and when such district shall have become a new parish under the provisions of the secondly hereinbefore-mentioned Act then to the Incumbent of such new parish, and to his successors for the time being, all those tithe commutation rent charges amounting to £71 14s. 3d., and arising from lands and hereditaments situate in the said proposed district, as and for an endowment for such proposed district.

“ And whereas there has been contributed a sum of £500 perpetual four pounds per centum per annum debenture stock of the London, Brighton, and South Coast Railway, and the same has been transferred into our name to be held by us toward the endowment of the said proposed district, and so soon as the said district shall have become a new parish as aforesaid then of the said new parish, and towards the maintenance of the Minister or Incumbent thereof for the time being, the amount of the annual interest and dividends to accrue due on account of the said sum of stock to be receivable by the said Minister or Incumbent for the time being when he shall have been duly licensed in accordance with the provisions of the secondly hereinbefore-mentioned Act.

“ And whereas there has also been contributed and paid to the credit of our account at the Bank of England a capital sum of £83 6s. 8d. sterling towards the endowment of the said proposed district or new parish (as the case may be), and towards the maintenance of the Minister or Incumbent thereof for the time being, and we have in respect of such sum agreed and have undertaken to provide and pay by equal quarterly payments on the 1st day of February, the 1st day of May, the 1st day of August, and the 1st day of November in each and every year to such Minister or Incumbent as aforesaid, when duly licensed in accordance with the provisions of the secondly hereinbefore-mentioned Act, the sum of £2 10s. 0d. per annum so long as the said capital sum shall remain in our hands.

“ And whereas the said sum of £500 perpetual four pounds per centum per annum debenture stock of the London, Brighton, and South Coast Railway has been so provided and the said capital sum of £83 6s. 8d. sterling has been so contributed and paid as aforesaid upon the understanding and condition that we should grant out of the common fund created by the firstly hereinbefore-mentioned Act a capital sum of £583 6s. 8d. sterling in respect of which there should be paid by us to the Minister or Incumbent for the time being of the said proposed district or new parish, when duly licensed as before-mentioned, a yearly sum of £17 10s. 0d.

“ And whereas certain hereditaments and premises situate within the said parish of West Tarring have become vested in us under the provisions of and for the purposes of the hereinbefore-mentioned Acts, or of some or one of them, and we have in respect of such hereditaments and premises agreed to grant and annex to the said proposed district or new parish all those tithe commutation rent charges amounting to £95 1s. 5d. belonging to us and arising from lands and hereditaments situate in the said proposed district, and also to make and pay out of the common fund created by the firstly hereinbefore-mentioned Act a grant of £10 per annum to the Minister or Incumbent for the time being of the said proposed district or new parish, when duly licensed as aforesaid.

“ And whereas the said grant of £583 6s. 8d. sterling, the said grant of the tithe commutation rent charges amounting to £95 1s. 5d. and the said grant of £10 per annum, will, after the publication in the London Gazette of an Order of Your Majesty in Council ratifying this scheme, be made and secured by instrument to be executed by us, the said Ecclesiastical Commissioners, under our common seal, in accordance with the provisions of the Act of the 29th and 30th years of Her said late Majesty, chapter 111.

“ And whereas the said tithe commutation rent charges amounting to £71 14s. 3d. have been granted and conveyed by the President and Scholars of the College of Saint Mary Magdalen, in the University of Oxford, as aforesaid, upon the understanding that (such arrangement appearing to us to be expedient) the whole right of patronage of the said intended district, and of the nomination of the Incumbent thereto, should be assigned in the manner hereinafter set forth.

“ And whereas the said President and
