TO
The London Gazette

Of FRIDAY, the 28th of AUGUST, 1914.

Published by Authority.

The Gazette is registered at the General Post Office for transmission by Inland Post as a newspaper. The postage rate to places within the United Kingdom is one halfpenny for each copy. VESSELS DETAINED IN BRITISH PORTS OR CAPTURED AT SEA BY HIS MAJESTY'S ARMED FORCES.

In order to furnish information to British and other traders who may be interested in cargoes carried on merchant vessels which have been either detained in British ports on the outbreak of war or have been captured by His Majesty's armed forces, it has been decided to publish lists of these vessels. A list is accordingly appended containing such information as is at present available. This list cannot be taken as necessarily complete, and is subject to correction. Supplementary lists will be published from time to time as further particulars are received.

These lists will also be communicated to Chambers of Commerce in the United Kingdom, to the undermentioned Shipping Associations, etc.,

and to any other similar bodies who may intimate to the Foreign Office that they wish to receive them.

All persons having any claims in respect of cargoes which are the subject of proceedings in the British Prize Courts should take steps to have their interests represented in accordance with the Prize Court Rules, copies of which may be procured, either directly or through any bookseller, from Messrs. Wyman and Son, 29, Breems Buildings, Fetter Lane, London, E.C. With respect to vessels which

may be in the custody of the Prize Courts established in the United Kingdom, attention is called to the following notice issued by the Prize Court:—

“PRIZE COURTS.

“Admiralty Marshal's Office,
“Royal Courts of Justice,
“London, W.C.

“(Registry of the Prize Court in Great Britain and Ireland),

“August 14, 1914.

“All persons having any interest in cargoes other than enemy cargoes laden on enemy ships captured as prizes, and requiring a release of such cargoes or portion of cargoes, should make enquiries in London at the offices of His Majesty's Procurator-General, Treasury Chambers, Whitehall, and in the case of the outports of the United Kingdom, at the offices of the agents for His Majesty's Procurator-General, whose addresses can be obtained from the Collectors of Customs at such outports.

“His Majesty's Procurator-General will require proof of ownership and particulars as to freight, whether paid or unpaid.”

In cases where the title of British subjects or of persons domiciled in allied or neutral States, or of friendly aliens domiciled in this country, who are interested in such cargoes, is clear and established without doubt to the satisfaction of the Procurator-General, such cargoes or portions of cargoes will be released with as little delay as possible, provided that no question of contraband arises, and subject to the adjustment of any matters relating to freight or other charges falling on the cargo. In more doubtful cases recourse to the ordinary Prize Court procedure will be necessary. It will in most cases be convenient that the parties should communicate with the agent of the Procurator-General at the port where the ship is, rather than with the Procurator-General himself.

Due notice will be given of the institution of proceedings in cases in which vessels are in the custody of the Prize Courts in the United Kingdom. Vessels which have been detained in or brought into British ports outside the United Kingdom will be brought before the Prize Courts established in His Majesty's dominions overseas, and interested parties should take steps to have their interests represented before those Courts.

It is hoped that arrangements may shortly be made for the publication of similar notice in respect of proceedings in those Prize Courts.

His Majesty's Government are endeavouring to obtain from the Governments of France, Russia, and Japan lists of merchant vessels which may be similarly detained or captured by the armed forces of those States. All such information as soon as received will be published in the same way.

A separate notification is being published* as regards German vessels detained in Belgian ports on the outbreak of hostilities.

All the information in the possession of His Majesty's Government will in this way be made public, and it is hoped that the necessity

of applying to Government Departments for information in particular cases will be eliminated.

GERMAN MERCHANT VESSELS DETAINED AT ANTWERP ON THE OUTBREAK OF HOSTILITIES.

His Majesty's Government have received information that certain German merchant vessels, the names of which are shown in the list hereunder, have been detained by the Belgian authorities at Antwerp on the outbreak of hostilities, and that a Commission has been constituted, by Decree of August 11th, 1914, to prepare inventories of the cargoes of these vessels, discriminating between enemy goods and those owned by the subjects of allied or neutral States.

By a further Decree of August 17th, 1914, it is provided that claims arising in consequence of the capture of enemy and neutral vessels and their cargoes shall be submitted to the Tribunal of First Instance at Antwerp, to whom the above Commission is to report.

It is therefore desirable that British subjects interested in such cargoes should take steps in order to protect their interests before the Tribunal by furnishing to their agents at Antwerp documentary evidence in support of their claims, employing for the purpose such legal assistance as may be necessary.

In the meantime His Majesty's Consul-General at Antwerp is taking steps to safeguard the interests of British cargo owners, under Article 3 of the Decree of August 11th, 1914, which provides for the intervention before the Commission of the Consular officer of the country concerned.
