

*Downing Street,
September 22nd, 1914.*

The KING has been pleased to give directions for the appointment of Kenrick Stanton Wise, Esq., M.B. (Surgeon-General) to be a Member of the Executive Council of the Colony of British Guiana.

*Downing Street,
September 23rd, 1914.*

The KING has been pleased to give directions for the appointment of Sir Charles Henry Major (Chief Justice of the Supreme Court of Fiji and Judicial Commissioner for the Western Pacific) to be the Chief Justice of British Guiana.

*Board of Trade, 7, Whitehall Gardens,
London, 23rd September, 1914.*

For the purposes of the Electric Lighting Acts, 1882 to 1909, and all Provisional Orders and Licences made and issued thereunder, the Board of Trade approve of the construction and pattern of the meter (hereinafter described) for the measurement of electrical energy when supplied on the constant pressure 2-phase, 3 or 4-wire or 3-phase 3-wire alternating current system, and known as the British Thomson Houston Polyphase Wattmeter, Type RHP.

Provided that the meter be constructed as described in the specification and drawings deposited at the Board of Trade, and dated and numbered 11th September, 1914, and H. 12,823, and be in accordance with the pattern meter No. R. 102,380 deposited at the Board of Trade on the 5th July, 1913, by or on behalf of the British Thomson Houston Company, Limited, Rugby, and sealed by the Board of Trade.

The Board of Trade further approve of the means provided for fixing meters of this description, and for connecting them with the service lines as described in the specification and drawings above referred to.

Signed by order of the Board of Trade this twenty-third day of September, 1914.

*Garnham Roper,
An Assistant Secretary to the
Board of Trade.*

*Board of Trade, 7, Whitehall Gardens,
London, 23rd September, 1914.*

For the purposes of the Electric Lighting Acts, 1882 to 1909, and all Provisional Orders and Licences made and issued thereunder, the Board of Trade approve of the construction and pattern of the time switch (hereinafter

described) for regulating the portions of the 24-hour day during which the supply of electrical energy is given, whether on the continuous or alternating current system, and known as the Venner Time Switch, Type RB.

Provided that the time switch be constructed as described in the specification and drawings deposited at the Board of Trade, and dated and numbered the 8th September, 1914, and H. 12,664, and be in accordance with the pattern time switch No. 19,057 deposited at the Board of Trade on the 8th October, 1913, by or on behalf of Venner Time Switches Limited, 6, Old Queen Street, Westminster, S.W., and sealed by the Board of Trade.

The Board of Trade further approve of the means provided for fixing time switches of this description, and for connecting them with the service lines as described in the specification and drawings referred to.

Signed by order of the Board of Trade this twenty-third day of September, 1914.

*Garnham Roper,
An Assistant Secretary to the
Board of Trade.*

Whereas by paragraph 5 of the Trading with the Enemy Proclamation, No. 2, dated the ninth day of September, 1914, all persons resident, carrying on business, or being in the King's Dominions were prohibited from doing certain things save so far as licences might be issued enabling them so to do.

And whereas by paragraph 8 of the aforesaid Proclamation it is provided that nothing in such Proclamation shall be taken to prohibit anything which shall be expressly permitted by the King's licence or by the licence given on His behalf by a Secretary of State or the Board of Trade, whether such licences be especially granted to individuals or be announced as applying to classes of persons.

Now therefore, the Board of Trade hereby announce that British owners of cargo now lying in a neutral port in a ship owned by an enemy may for the purpose of obtaining possession of such cargo pay freight and other necessary charges to the Agent of the ship-owner at such port.
