

2. The dietary of a casual pauper who is sick or infirm shall be such as may be prescribed in writing by the Medical Officer of the Casual Ward or Workhouse.

3. The Master of the Workhouse or the Superintendent of the Casual Ward, as the case may be, may, if he thinks fit in any case, give to a casual pauper included in Class 1 or Class 2 an additional allowance (not exceeding 4 oz.) of bread at any meal, and in each such case he shall record his action in a book provided for that purpose.

4. In the case of an infant suckled by his mother the allowance for the infant may, at the discretion of the Matron of the Workhouse or the Female Superintendent of the Casual Ward, as the case may be, be given to the mother instead of to the infant.

5. In the case of each child under twelve years of age the Matron or Female Superintendent as the case may be, shall cause the allowance of food prescribed in respect of each meal to be prepared in such manner and to be given at such times and in such way as shall be suitable to the child.

6. The expression "milk" means new milk, whole and undiluted: provided that unsweetened condensed whole cream milk or dried whole cream milk may be substituted for new milk in the proportion of four ounces of condensed milk or one and a quarter ounces of dried milk, with the proper addition of hot water, for half a pint of new milk.

7. The shell cocoa, gruel, and broth shall be prepared in accordance with the following ingredient table:—

Food.	Measure (Imperial) of Product	Ingredients.
Shell cocoa	Pint	$\frac{1}{2}$ oz. cocoa husks; $\frac{1}{2}$ oz. sugar; 3 fluid oz. milk; water a sufficiency.
