

UNATTACHED LIST FOR THE TERRITORIAL FORCE.

Officers Training Corps.

University of London Contingent, Senior Division; Second Lieutenant Thomas Hughes Holt-Hughes to be Lieutenant. Dated 16th September, 1914.

NATIONAL INSURANCE.
NATIONAL HEALTH INSURANCE.

The National Health Insurance (Navy and Army Insurance Fund) Order, 1914, dated 22nd September, 1914, made by the Insurance Commissioners under section 78 of the National Insurance Act, 1911 (1 & 2 Geo. 5, c. 55).

Whereas by section 78 of the National Insurance Act, 1911 (in this Order called "the Act"), it is amongst other things provided that if any difficulty arises in bringing Part I. of the Act into operation the Insurance Commissioners (in this Order called "the Commissioners"), with the consent of the Treasury, may by Order do anything which appears to them necessary or expedient for bringing Part I. of the Act into operation, and any such Order may modify the provisions of the Act so far as may appear necessary or expedient for carrying the Order into effect:

And whereas by paragraph (h) of subsection (3) of section 46 of the Act it is provided that a man discharged from service as a seaman, marine, or soldier who proves that the state of his health is such that he cannot obtain admission to an approved society may, if he so elects, on making application to the Commissioners in the prescribed manner within three months of his discharge or such longer time as may be prescribed, become entitled to benefits (other than additional benefits) provided under Part I. of the Act, the cost of which benefits shall be payable out of the Navy and Army Insurance Fund (in this Order called "the Fund"):

And whereas by paragraph B of the First Schedule to the National Insurance Act, 1913, and regulations made thereunder dated the 26th day of May, 1914, and entitled the National Health Insurance (Navy and Army Insurance Fund: Persons of Unsound Mind) Regulations, 1914, it is provided that the Admiralty or Army Council, as the case may require, may, if they think fit, appoint a person to exercise on behalf of any seaman, marine, or soldier being of unsound mind and entitled to become a member of the Fund any right of election which that person is, under the Act, entitled to exercise:

And whereas in certain cases seamen, marines, and soldiers have been discharged from the Navy or Army and by reason of their being of unsound mind at the date of discharge have been unable to make application to the Commissioners to become members of the Fund, until persons could be appointed under the power contained in the said Regulations to elect on their behalf, and in consequence

thereof they have been deprived of benefit during the period between the date of their discharge and the date when the election was made on their behalf, and a difficulty has thereby arisen within the meaning of the said section 78:

Now, therefore, the Insurance Commissioners, in pursuance of the powers conferred on them by the National Insurance Acts, 1911 to 1913, and all other powers enabling them in that behalf, with the consent of the Treasury, hereby order as follows:—

1. Every seaman, marine, or soldier who having been discharged from the Navy or Army while of unsound mind has before the date of this Order been admitted as a member of the Fund and become entitled to benefits out of the Fund, shall be deemed to have made application under paragraph (h) of subsection (3) of section 46 aforesaid on the day following the date of his discharge and to have been entitled to benefits out of the Fund on and after that date.

2. This Order may be cited as the National Health Insurance (Navy and Army Insurance Fund) Order, 1914.

Given under the Seal of Office of the Insurance Commissioners this 22nd day of September, in the year one thousand nine hundred and fourteen.

(L. S.)

John Anderson,

Secretary to the Insurance Commissioners.

We consent to this Order.

Two of the Lords Commissioners of His Majesty's Treasury.
