

the pattern Recording Voltmeter No. 70936 deposited at the Board of Trade on the 14th August, 1915, by or on behalf of Messrs. Evershed and Vignoles, Acton Lane Works, Chiswick, W., and sealed by the Board of Trade.

Signed by order of the Board of Trade this 6th day of September, 1915.

*Garnham Roper,*  
An Assistant Secretary to the  
Board of Trade.

*Board of Trade, 7, Whitehall Gardens,  
London, 6th September, 1915.*

For the purposes of the Electric Lighting Acts, 1882 to 1909, and all Provisional Orders and Licences made and issued thereunder, the Board of Trade approve of the pattern of the Murday Recording Voltmeter, Type M.R. 2, for use in testing stations for testing electrical pressure when supplied on the constant pressure alternating current system.

Provided that the Recording Voltmeter be constructed as described in the specification and drawings deposited at the Board of Trade, and dated and numbered the 19th August, 1915, and H. 8813, and be in accordance with the pattern Recording Voltmeter No. 62253 deposited at the Board of Trade on the 14th August, 1915, by or on behalf of Messrs. Evershed and Vignoles, Acton Lane Works,

Chiswick, W., and sealed by the Board of Trade.

Signed by order of the Board of Trade this 6th day of September, 1915.

*Garnham Roper,*  
An Assistant Secretary to the  
Board of Trade.

*Board of Trade (Harbour Department),  
London, 7th September, 1915.  
H. 9160.*

The Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Decree, dated the 20th August last, issued by the Spanish Inspector-General of Foreign Health, stating that in view of the sanitary conditions which at present prevail in Germany, Austria-Hungary and Russia, in various provinces of which countries cholera has broken out according to information officially communicated to him, and having regard to the necessity for establishing measures with a view to preventing the disease in question from being introduced into Spain, he has deemed it expedient to ordain that vessels, passengers and merchandise proceeding from ports in countries where cholera already exists or may hereafter exist shall in no circumstances be admitted into Spain until he decides otherwise, and then they shall not be admitted by the local Inspectors or through ports qualified to grant permission of entry, and still less through coastal or river ports unless they have been previously admitted to free "pratique" in one of the Spanish Sanitary Stations, a condition which must be proved to have been complied with by the presentation of the necessary health papers in respect of the vessel, passenger and merchandise.
