PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1853, as amended by the Burial Act, 1900, it is provided that, in case it appear to His Majesty in Council, upon the Representation of the Local Government Board, that, for the protection of the public health, the opening of any new burial ground in any City or Town, or within any other limits, save with the previous approval of the Local Government Board, should be prohibited, or that burials in any City or Town, or within any other limits, or in any burial grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial ground shall be opened in such City or Town, or within such limits, without such previous approval, or (as the case may require) that after a time mentioned in the Order, burials in such City or Town, or within such limits, or in such burial grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such

Order, and so from time to time as circumstances may require: Provided always that notice of such Representation, and of the time when it shall please His Majesty to order the same to be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the Churches or Chapels of, or on some other conspicuous places within, the Parishes affected by such Representation, one month before such Representation is so considered: Provided also that no such Representation shall be made in relation to the burial ground of any Parish until ten days' previous notice of the intention to make such Representation shall have been given to the Incumbent and the Vestry Clerk or Churchwardens of such Parish:

And whereas the Local Government Board, after giving to the Incumbent and the Churchwardens of the Parish of Falstone, in the Civil Parish of Plashet and Tynehead, in the County of Northumberland; of the Parish of Thorpe St. Andrew, in the Civil Parish of Thorpe (next Norwich), in the County of Norfolk; and of the Parish of Heptonstall, in the Civil Parish of Heptonstall, in the West Riding of the County of York, respectively, ten days' previous notice of their intention in that behalf, have made Representations to His Majesty in Council that, for the protec-

And whereas His Majesty was pleased, by His Order in Council of the 12th day of August, 1915, to give notice of such Representations, and to order that the same should be taken into consideration by a Committee of the Privy Council, on the 23rd day of September, 1915, and such Order has been published in the London Gazette, and copies thereof have been affixed, as required by the said Act:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, as it is hereby ordered, that no new burial grounds shall be opened in the said Civil Parishes save with the previous approval of the Local Government Board, and that burials in the said Parishes shall be discontinued as follows, viz. :—

In the said Churchyard, in any grave space in which no interment has heretofore taken place, the burial may be allowed of the body of any person for whom, or of any member of a family for which, such grave space has been reserved and appropriated as a burial place, with the exclusive right of burial therein, subject to the condition that no part of the coffin containing the body shall be at a depth less than 3 feet below the level of the surface of the ground adjoining the grave.

HEPTONSTALL.—Forthwith and entirely in the old Church of St. Thomas a' Becket, Heptonstall, in the Civil Parish of Heptonstall, in the West Riding of the County of York; and in the Churchyard attached thereto, with the following exceptions, that is to say :—

(a) In any vault or walled grave now existing in the said Church or Churchyard, burial may be allowed subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented.

(b) In any earthen grave now existing in the said Churchyard, the burial may be allowed of the body of any member of the family of the person or persons heretofore buried in such grave, subject to the condition that no part of the coffin containing the body shall be at a depth less than 3 feet below the level of the surface of the ground adjoining the grave.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 24th day of *September*, 1915.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1853, as amended by the Burial Act, 1900, it is enacted that, in case it appears to His Majesty in Council, upon the Representation of the Local Government Board, that, for the protection of the public health, the opening of any new burial ground in any City or Town, or within any other limits, save with the previous approval of the Local Government Board, should be prohibited, or that burials in any City or Town, or within any other limits, or in any burial grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial ground shall be opened in any City or Town, or within such limits, without such previous approval, or (as the case may require) that, after a time mentioned in the Order, burials in such City or Town, or within such limits, or in such burial grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances may require: Provided always that notice of such Representation, and of the time when it shall please His Majesty to order the same to be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the Churches or Chapels of, or on some other conspicuous places within, the Parishes affected by such Representation, one month before such Representation is so considered: Provided also that no such Representation shall be made in relation to the burial ground of any Parish until ten days' previous notice of the intention to make such Representation shall have been given to the Incumbent and the Vestry Clerk or Churchwardens of such Parish:

And whereas by the Burial Act, 1855, it is, amongst other things, enacted that it shall be lawful for His Majesty, by and with the advice of His Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived),

as to His Majesty, with such advice as aforesaid, may seem fit:

And whereas by an Order in Council dated the 14th day of August, 1879, it was ordered that burials should be discontinued in (amongst other places) Saltley Church, in the County of Warwick; and in the Churchyard, except in existing graves to be used only for the burial of members of the families of those interred in them, and except in new graves to be used only for the burial of Parishioners of Saltley, and of those who may die within the Parish; no coffin to be placed within a foot of any other coffin, or less than four feet beneath the surface, unless it be in a walled grave or vault, and separately enclosed by stonework or brickwork properly cemented:

And whereas the Local Government Board, after giving to the Incumbent and the Churchwardens of the said Parish of Saltley ten days' previous notice of their intention in that behalf, have made a Representation that they are of opinion that so much of the said Order in Council of the 14th day of August, 1879, as relates to burials in Saltley Church and Churchyard aforesaid, should be varied by substituting for the exceptions and conditions contained in the said Order the following exceptions and conditions:—

(a) In any vault or walled grave now existing in the said Churchyard, burial may be allowed subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented:

(b) In any earthen grave now existing in the said Churchyard, and in which the bodies of not more than three persons have been buried at the date of this Order, the burial may be allowed of the body of one member of the family of the person or persons heretofore buried in such grave, subject to the condition that no part of the coffin containing the body shall be at a depth less than four feet six inches below the level of the surface of the ground adjoining the grave:

Now, therefore, His Majesty in Council is pleased hereby to give notice of such Representation, and to order that the same be taken into consideration by a Committee of the Privy Council, on the 5th day of November next.

And His Majesty is further pleased to direct that this Order be forthwith published in the London Gazette, and that copies thereof be affixed on the doors of the Churches or Chapels of, or on some conspicuous places within, the Parish affected by such Representation one month before the said 5th day of November.

ADMIRALTY NOTICE TO MARINERS.

No. 862 of the year 1915.

ENGLAND, EAST COAST.

River Humber—Pilotage.

Former Notice.—No. 431 of 1915; hereby cancelled.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regula-

tions, 1914, the following regulations with regard to Pilotage of the River Humber are now in force:—

1. All pilotage certificates granted to masters and mates for the whole or any part of the Humber Pilotage district are suspended and further all vessels (irrespective of draught, size, or nationality, but with the exception of those provided for in paragraph 2) bound to or from any place on the Humber must be conducted by licensed pilots over the whole or any part of the waters between Hull and the Outer Pilotage station of the Humber Pilotage district, which, until further notice, will be situated in the neighbourhood of the Bull light-vessel.

2. In the case of lighter inter-dock traffic and of small British vessels engaged in local trade above Immingham, pilotage by licensed pilots is not compulsory.

3. During the hours of official night, and during fog with visibility of less than half-a-mile; no traffic is permitted to move on the Humber below Paull point; also when these conditions prevail no vessel should enter or remain within a radius of five miles from Spurn light-vessel.

4. A vessel should not approach the Humber unless there is sufficient time available to enable such vessel to obtain a pilot and to arrive at her destination, or at a position in which she is permitted to anchor, before the commencement of official night.

5. No vessel should anchor whilst awaiting a pilot.

6. Vessels when leaving the Humber must proceed direct to sea. Should it be necessary to wait for the weather to moderate or clear, they must remain inside the river at an authorised anchorage.

The pilot lobbies will be notified when the existence of fog outside the river is known.

7. A pilot should not board a vessel unless there is sufficient time available to enable such vessel to arrive at her destination, or at a position in which she is permitted to anchor, before the commencement of official night. The latest time at which the Pilot cutter stationed at the Bull light-vessel should board inward-bound vessels is one hour before the commencement of official night.

Vessels bound outward should not pass Hawkins point later than 45 minutes before the commencement of official night.

8. All vessels proceeding into or out of the Humber must be navigated by way of Hawke and Sunk roads passing to the Northward of the Bull light-vessel, except those outward-bound from Grimsby, which may cross the Middle shoal leaving the Middle light-vessel on the starboard hand, but they must pass at once into the channel north of the Middle after rounding the light-vessel.

NOTE.—The five-fathom channel through the Sunk and Hawke roads is very narrow at the western entrance and also at a point north of the Middle light-vessel; deep-draught vessels steaming against the tide when approaching the buoys marking these portions of the channel should endeavour to avoid pass-

ing others between them by easing engines to allow ships with the tide under them to get through first. Smaller vessels outward-bound should pass close to the southward of the buoys marking the south side, and those inward-bound close to the northward of the buoys marking the north side, of the narrow portions or the channel, provided always that their draught of water and the state of the tide will admit.

8a. Sailing vessels of 50 tons register and upwards when entering or leaving the Humber must be towed through Hawke road. Should tugs not be available, inward-bound vessels may anchor north-westward of the No. 2 Lower Middle light-float at a distance of not more than $1\frac{1}{2}$ miles from it, but they must not bring the before-mentioned light-float to bear to the southward of 128° (*S. 36^{\circ} E. Mag.*).

9. Small craft to and from Grimsby up river are allowed to navigate southward of the Burcom, provided they pass into and out of the main channel to the eastward of No. 6 Upper Burcom B.W.V.S. buoy. They are exempted from communicating with the Examination steamer, but all other vessels leaving Grimsby and passing up the river outside the Burcom must do so.

10. No merchant vessel, except as provided for in paragraphs 8a and 16, shall anchor to the northward of the line of the Killingholme leading lights or to the eastward of a line drawn from the Middle light-vessel through No. 4 light-float and prolonged to the Lincolnshire shore, or within $1\frac{1}{2}$ cables of any of the Admiralty mooring buoys. Anchorage is prohibited for all vessels between two imaginary lines:—

(1) Joining Stone creek Coast Guard flag-staff and the eastern extremity of the eastern jetty at Immingham.

(2) Joining the riverward beacon of the two centre measured mile beacons on Sunk island and the northernmost of two clumps shown southward of Stallingborough on Admiralty chart No. 109. The latter line passes through the position of No. 6 Upper Burcom buoy.

Merchant vessels are not to anchor without special permission between the before-mentioned prohibited anchorage area and the line of transit of the eastern measured mile beacons on Sunk island produced to the Lincolnshire shore.

11. No vessel must approach within a quarter of a mile of the boom defence or within three cables of any of H.M. Ships at anchor in the Humber provided the depth of water and circumstances of navigation will admit of keeping this distance.

12. Vessels at anchor in or above Hull road and in the part of the river that lies between Immingham and Cleethorpes are to exhibit the ordinary riding lights, but reduced so as not to be visible at a distance greater than half-a-mile. They are to show no other lights of any description. Vessels anchored in any other part of the river or secured in any docks or alongside any wharf or pier are to show no lights of any description. Dredgers may be

permitted to work at Hull at night provided all their lights are extinguished within half-an-hour of issue of the general order "Out lights."

13. No tug is permitted to tow more than three craft at one time through a gateway of the boom defence. Owners of tugs may apply to the Humber Conservancy Board for Pilot licences for the masters of their vessels which will enable them to pilot their own vessels and river craft comprising their tow (in certain parts of the river). The number of craft towed will be restricted according to the power of the tug.

14. Humber Rule No. 18 is to be strictly enforced. No sound signals other than navigation signals authorised by the Regulations for preventing Collisions at Sea, and by Humber Rules Nos. 14 to 16 (inclusive) at all times of the day or night, and No. 17 during the day only, are on any account to be used by vessels in any part of the Humber, the Old harbour at Hull, or within any of the docks at Hull, Immingham or Grimsby.

15. Owners of small vessels plying in the vicinity of the Humber are instructed not to paint their craft light grey, and are hereby directed to have any vessels so coloured repainted. They are warned that small vessels painted grey run a great risk of being fired upon in mistake for submarines. Vessels painted black run the least risk.

REGULATIONS AFFECTING SMALL CRAFT IN THE VICINITY OF CLEETHORPES.

16. Pleasure boats may ply for hire at Cleethorpes only between the eastern and western sewer outfall beacons, and must keep within a distance of one mile from the shore. Small vessels may anchor off Cleethorpes southward of the prohibited anchorage area shown on Admiralty chart No. 109 and shorewards of the 2 fathom contour line. No vessel is allowed to shrimp or trawl between Grimsby docks entrance and a line drawn across the river three miles below it. Notwithstanding anything in these orders rowing boats may pass along the shore at Cleethorpes, but they must keep within 400 yards of the high water mark of spring tides.

EXCURSIONS BY WATER.

17. Excursions by water are limited to the River Humber above Hull and Rivers Ouse and Trent. Excursion steamers will not be allowed to ply without a permit from the Admiralty Port Officer, Dock Offices, Immingham, and in no case are they to pass to the eastward of an imaginary line joining Victoria Dock entrance, Hull, and the East beacon on Skitter ness.

Hydrographer.
