

County of Somerset, numbered 119 on the Tithe Commutation Map of the said Parish, and shown by the pink colour on the plan drawn on the deed, became, with its appurtenances, and is now vested in us:

"And whereas none of the said lands, tithes, rentcharges, tenements and hereditaments are subject to any outstanding beneficial lease or grant, but are now in our possession, but some portions thereof on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed:

"And whereas, with a view to the advantageous appropriation of the same, or of the proceeds thereof, for the ultimate improvement of our common fund it is expedient that the said lands, tithes, rentcharges, tenements, and hereditaments, or such part or parts thereof as we shall at any time, and from time to time, think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such lands, tithes, rentcharges, tenements, and hereditaments, or in any part or parts thereof, in such manner as shall appear to us advisable:

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time, to sell or dispose of, and duly to convey, according to the provisions of the said Act, all or any of the said lands, tithes, rentcharges, tenements, and hereditaments, so vested in us as aforesaid under and by virtue of the said indentures, or either of them, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands, tithes, rentcharges, tenements, or hereditaments, or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary Stock or other Public Securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act.

And His Majesty, by and with the like advice, is pleased hereby to direct that this

Order be forthwith registered by the Registrar of the Diocese of Bath and Wells.
