The following awards have been approved in recognition of services rendered by Petty Officers and men of the Eastern Mediterranean Squadron between the time of landing in the Gallipoli Peninsula in April, 1915, and the evacuation in December, 1915 - January, 1916:—

On 25th April, 1915, this Petty Officer whilst at the wheel during the landing operations at Anzac, under heavy fire, was struck in the mouth by a bullet, which removed all his front teeth.
