*Board of Trade, Whitehall Gardens,
London, 19th June, 1916.*

For the purposes of the Electric Lighting Acts, 1882 to 1909, and all Provisional Orders and Licences made and issued thereunder, the Board of Trade approve of the construction and pattern of the meter (hereinafter described) for the measurement of electrical energy when supplied on the constant pressure 2-wire single-phase alternating current system, and known as the Westinghouse Single Phase Watthour Meter, Type K.

Provided that the meter be constructed as described in the specification and drawings deposited at the Board of Trade, and dated and numbered 10th June, 1916, and H.3765, and be in accordance with the pattern meter No. 449810, deposited at the Board of Trade on the 1st March, 1915, by or on behalf of the Westinghouse Electric and Manufacturing Company Limited, Trafford Park, Manchester, and sealed by the Board of Trade.

The Board of Trade further approve of the means provided for fixing meters of this description, and for connecting them with the service lines as described in the specification and drawings above referred to.

Signed by order of the Board of Trade this 19th day of June, 1916.

*Garnham Roper,
An Assistant Secretary to the
Board of Trade.*
